Baker III, 2012-07-11 Dr George A Baker III distinguished himself both as a marine and educator in this memoir he looks back at a long life dedicated to serving others From his boyhood in Sumter South Carolina to entering the service during the Cold War to his experiences on the battlefield Baker examines his actions and those of others with refreshing honesty As a confidante and contemporary to high

ranking military men presidents and Washington insiders Baker's ascension through the military ranks allowed him to witness and analyze political and social changes from a unique perspective. He ultimately rose to the rank of lieutenant colonel and his perspective of the Cold War Vietnam and politics provided him with a strong foundation to excel in his second career as an educator. Baker draws upon his experiences as a soldier, tactician, and teacher to share a theory of leadership that can be applied in various settings. Numerous vignettes offer powerful learning opportunities in various contexts. In *The Making of a Marine Scholar*, discover untold history as well as what it really means to serve your country and fellow man. Baker presents a blueprint for living a rewarding life that has purpose and meaning. *History of Marine Architecture* John Charnock, 1801

**An History of Marine Architecture**, 1801      **The Making of a US Marine-Scholar** Dr. George A. Baker  
III, 2020-01-24 *The Making of a US Marine Scholar* in the original long work and the three works now published by iuniverse. Baker shares a theory of leadership that can be applied by change-oriented leaders in a multitude of cultures and organizations. This volume is subtitled *Hail to the Chief* which begins with the surprise assignment as the Executive Officer designate at the Presidential Retreat Camp David. He then was selected for the military staff of the President of the United States Lyndon B. Johnson. The second tour in Vietnam brings an unusual WIA, a challenging relationship with one leader and salvation with another. The third volume is a must read as Baker transitions to higher education and fights to win advancement to the more prestigious positions and finds that his military and political skills properly applied bring continuing success. Dr. Baker is the author of twenty books and numerous articles and technical reports. He is the editor of the first ever *Handbook on the Community College in America*. *Secrets of a Gay Marine Porn Star* Rich Merritt, 2017-05-31  
YES IT ALL REALLY HAPPENED JUST LIKE THIS Here's the story of Rich Merritt, the good son, teacher's pet, Southern gentleman, model, Christian student at Bob Jones University, Marine officer, and the not-so-anonymous poster boy for a New York Times Magazine article on gays in the military whose complicated sexual past caused an international scandal when *The Advocate* outed him as *The Marine Who Did Gay Porn*, putting his life in a tailspin. It's the compelling, poignant story of how a boy who never listened to pop music, never cursed, and didn't have his first drink until he was eighteen exploded into a life of drugs, alcohol, promiscuity, prostitution, and pornography. And above all, it's a triumphant story of self-forgiveness and identity of a man who refused to allow himself to be defined by the standards of anyone else, gay or straight. Along the way, Rich Merritt writes with humor, compassion, insight, and naked truth about what it's really like growing up behind the Fortress of Fundamentalism and how he ultimately came to despise their views. The harsh realities of military life under the Don't Ask, Don't Tell Clinton policy. A real insider's experience of working in the male porn industry, the good, the bad, and the extremely hot. Why he chose not to reveal his porn past to the New York Times journalist. What it felt like to be the most notorious marine in the world and what it took to come through the fire. By turns harrowing and heartbreaking, angry and affirming. *Secrets of a Gay Marine Porn Star* is that rarest of memoirs, a fascinating slice of life that reads like the most absorbing
