tells the story of Canada's most exciting team charting their rise from a sporting oddity in a hockey mad country to the status they hold today as the reigning NBA champions and national heroes *Home and Away* Mats Sundin, 2024-10-22 INSTANT

1 BESTSELLER In one of the last great remaining untold stories in all of sports the Hall of Fame Toronto Maple Leafs captain Mats Sundin shares for the first time an unfiltered look at playing hockey in Sweden and across North America as part of the sport's most fabled franchises Growing up in Sollentuna Sweden on the outskirts of Stockholm Mats Sundin skated on the lake downhill from his house a house his father had built with his own hands on land his mother insisted on buying for their future In the darkness of the Scandinavian winter Sundin would chase after his older brother on that lake for countless hours Summers spent in nature with his grandparents instilled a lifelong love for the outdoors Playing hockey in their driveway the three Sundin brothers imagined scenes of suiting up for Sweden's national team and scoring a game winning goal against their favoured rival the Soviet Union It wasn't until his late teens that he caught the eyes of scouts and coaches from the other side of the Atlantic At the 1989 NHL draft eighteen year old Sundin was as surprised as anyone when he was selected first overall by the Quebec Nordiques After a few years as a Nordique Sundin was traded to the Toronto Maple Leafs in exchange for the highly popular Leaf captain Wendel Clark In his early years in Toronto he felt both at home and from away working extra hard to gain acceptance in the world's toughest hockey market Even once he was named captain Sundin didn't deviate from his quiet nature but instead lead by example never asking anyone to work harder than he did Over thirteen seasons with the team he would learn just how fiery the cauldron of Leafs Nation could be In *Home and Away* Mats Sundin writes openly for the first time about what it was like for him to uproot his life in Sweden to embark on a long hockey career an ocean away *Home and Away* is an elegiac heartfelt and honest story of a man who followed his passions cherished his family faced heavy scrutiny and ultimately earned his way into both the hearts of fans and the hockey record books His journey transcends the rink and shows what it means to be a quiet and unpretentious Swedish kid who went on to become one of the most accomplished players in the history of the game *Toronto and the Maple Leafs* Lance Hornby, 17-10-03 100

years of love celebration heartbreak and even parades On December 19 2017 the Toronto Maple Leafs officially turn 100 In the spirit of the centenary celebrations *Toronto and the Maple Leafs* explores the city's relationship with its most beloved sports team No matter how many times the Jays and Raptors make the playoffs it's a Leafs game that still brings the city together on a cold Saturday night and fuels the talk shows all summer But why are fans so absorbed by a team that has not won a Cup in 50 years Veteran Leafs and NHL columnist Lance Hornby gives readers an insider's perspective on how the pulse of the city and team became one through two world wars the Depression the zany Harold Ballard years and until recently dysfunctional hockey operations *Toronto and the Maple Leafs* includes insights and stories from Mayor John Tory to Joe Fan from influential voices of the Leafs such as Foster Hewitt and Joe Bowen to the ushers cleaners and ticket scalpers Not to mention a funeral director who performs Leafs themed services An unforgettable book about the good teams bad

games and bizarre times of this franchise's history this is the perfect companion for every Leafs fan **Heart and Spirit**

Home Ice Kevin Cunningham, 2017-08-15 Unable to skate and surrounded by sports fans who cared more about Evel
Knievel than hockey Kevin Cunningham became obsessed with the Chicago Blackhawks as a confused eight year old He has
no idea why Yet from that moment on he embarked on a fan's journey that absorbed his childhood destroyed his GPA and
made him seriously weigh romance against an away game at Calgary What explains this fascination Home Ice combines
memoir and history to explore how the mysteries of Blackhawks fandom explain big questions like tribal belonging
masculinity and why you would ever trade Chris Chelios In recounting the team's and his own wins and losses and ties
Cunningham covers everything from Keith Magnuson's bachelor pad to the grim early aughts to Patrick Kane's Cup winner
Throughout he explores how we come to love the things we love Funny and touching Home Ice is one Blackhawk fan's
attempt to understand why sports fandom is utterly ridiculous and entirely necessary *Hockey Scouting Report 2002*

Rebuilding on the Fly Riley Haas,2014-06-07 The 2005 lockout effectively killed the Sundin era Maple Leafs The team that exited this lockout was old and not very good After a few years of pretending the old formula of Sundin spare parts still worked Maple Leafs Sports and Entertainment told fans they would get their rebuild a rebuild that would change the culture of the Maple Leafs and return the franchise to glory To this end they hired Brian Burke NHL celebrity GM But Burke didn t bring change He brought more disappointment He continued the Leafs playoff drought till it was the longest in franchise history and when the Leafs finally made the playoffs they did it on luck Burke s rebuild on the fly tore down a mediocre team with poor goal tending and replaced it with a mediocre team with good goal tending And even once fired he left his mark as his protege Dave Nonis continues to run the team into the ground Leafs fans wishing for contention after years of missing the playoffs will have to wait years or perhaps decades more to see a Maple Leaf squad in true contention This book is about why Burke was hired what he did and why that didn t work The Brian Burke era of the Maple Leafs should stand as a lesson to big market franchises in all major North American pro sports that speed is not a solution when when trying to make an old bad team good again
