John Charles McQuaid John Cooney, 2012-08-29 An in depth study of the most significant Irish clergyman in the history of the state For three decades

1940-72 as Archbishop of Dublin and Primate of Ireland John Charles McQuaid imposed his iron will on Irish politicians and instilled fear among his clergy and laity. No other churchman amassed the religious, political and social power which he exercised with unscrupulous severity. An admirer of the FBI's J. Edgar Hoover, Archbishop McQuaid built up a vigilante system that spied on politicians and priests, workers and students, doctors and lawyers, nuns and nurses, soldiers and trade unionists. There was no room for dissent when John Charles spoke in the name of Jesus Christ. This power was used to build up a Catholic dominated state in which Protestants, Jews and feminists were not welcome. **A Woman Clothed with the Sun**

John J. Delaney, 1990-10-01 Through the centuries Our Blessed Lady has appeared frequently on earth with messages of warning, hope and consolation for humanity but never more frequently than in the last two centuries. Heralded as the Marian Age, the past two hundred years have been blessed with numerous appearances of Our Lady, each one offering messages of inspiration and hope and urging the world to return to the love of God through prayer, penance and reparation for sins. A Woman Clothed with the Sun considers the seven most significant apparitions of Our Lady in the past two centuries: that of the Miraculous Medal at Paris, those at La Salette, Lourdes, Knock, Fatima, Beauraing, Banneux and also the sixteenth century appearance of Mary at Guadalupe with its profound message for Americans. The historical background of each apparition is given, the vision itself described and Mary's messages are quoted by writers distinguished for their special knowledge of the apparitions and their literary excellence. In his introductory chapter, editor John J. Delaney traces the relationships between the apparitions and provides a penetrating analysis of their significance. Recipient of the Marian Library Medal, *A Woman Clothed with the Sun* has been critically acclaimed as the one book on Our Lady that should be read by everyone. *Sharing God's Good Company* David Matzko McCarthy, 2012-06-19 Explores the role and significance of the saints in Christians' lives today. While examining the lives of specific saints like Martin de Porres, Therese de Lisieux and Mother Teresa, McCarthy especially focuses on such topics as the veneration of martyrs, realism and hagiography, science and miracles, images and pilgrimage and why the saints continue to captivate Christians and inspire devotion. **Pray for Us** Meg

Hunter-Kilmer, 2021-10-22 Winner of a first place award in the backlist beauty category from the Catholic Media Association. How is it possible that a chain smoking socialist, a teenage video gamer, an opium addict, a satanic high priest, a disabled beggar and a self-absorbed mean girl became saints? Popular itinerant missionary Meg Hunter-Kilmer will stretch your preconceived notions of holiness by exploring the lesser known lives of seventy-five extraordinary people whose human struggles and limitations reveal the power of God's grace. *Pray for Us* isn't your ordinary saint book. Hunter-Kilmer highlights the sorrows, struggles and idiosyncrasies of broken people who turned their lives around and dedicated themselves to God and his work. Through these edgy profiles full of fresh and fascinating stories, she explores the universal call to holiness and how God can transform anyone from grouchy theologians to bratty teenagers into saints. Saints Behaving Badly Thomas J. Craughwell, 2006-09-19 From thieves and extortionists to mass murderers and warmongers up close and embarrassingly personal snapshots of those sanctified people with the most unsaintly pasts in the history of Christianity Saints are not born they are made And many as Saints Behaving Badly reveals were made of very rough materials indeed The first book to lay bare the less than saintly behavior of thirty two venerated holy men and women it presents the scandalous spiciness and sleazy detours they took on the road to sainthood In nineteenth and twentieth century writings about the lives of the saints authors tended to go out of their way to sanitize their stories often glossing over the more embarrassing cases with phrases such as he/she was once a great sinner In the early centuries of the Church and throughout the Middle Ages however writers took a more candid and spirited approach to portraying the saints Exploring sources from a wide range of periods

and places Thomas Craughwell discovered a veritable rogues gallery of sinners turned saints There s St Olga who unleashed a bloodbath on her husband s assassins St Mary of Egypt who trolled the streets looking for new sexual conquests and Thomas Becket who despite his vast riches refused to give his cloak to a man freezing to death in the street Written with wit and respect each profile ends with what inspired the saint to give up his or her wicked ways Saints Behaving Badly will entertain inform and even inspire Catholic readers across America **Catalog of Copyright Entries.
