Ellis, 1974      *The Restoration of Messianic Hope* Brian Main, 2025-06-25 The New Testament portrays the apostles as placing great emphasis on Jesus resurrection in their preaching and teaching This emphasis is often lacking however in contemporary preaching and teaching If Jesus resurrection is to regain the centrality it held in the apostolic age its significance must be understood In this study Brian Main attempts to understand the significance of Jesus resurrection in the Gospel of Matthew Since Jesus resurrection is the proper conclusion of the story in Matthew it is necessary to understand what the story is that it concludes By analyzing the characters settings plot and point of view in Matthew 1 1 4 11 as well as those in the resurrection narrative 28 1 20 Main and his readers come to grasp the expectations that Matthew s audience develops as that story unfolds As readers understand those expectations they will gain a better appreciation of what was at stake when Jesus experienced opposition and therefore of what was restored and guaranteed by his resurrection      **The Synoptic Gospels, Revised and Expanded** Keith F. Jesus Yet the Matthaean narrator finds several other uses for John in the development of the narrative not only while he is still alive but also after he is dead In examining John s role Yamasaki deploys an audience oriented critical methodology an approach that chronicles the narrator s efforts to influence first time readers experience of the narrative as they proceed sequentially through the text He traces John s characterization as forerunner from a glowing introduction in ch 3 albeit with a slight flaw in his ideological point of view on Jesus through a progressive exacerbation of this flaw to a rehabilitation of John in ch 11 As a result of this rehabilitation the narrator is able to continue to use John in his role as forerunner in the second half of the narrative even after John s death has removed him from the story line      *Acts: An Exegetical Commentary : Volume 3* Craig S.
