Captain David Porter set out in the USS Essex on an epic seventeen month cruise to the South Seas Porter was pursuing fame and riches and by most accounts his odyssey was a stunning success it brought glory to the fledgling American navy cemented Porter s reputation as a daring and talented commander and has long been celebrated as one of the greatest maritime adventures in U S history Less well known however is the terrible price that the crew of the Essex paid for their captain s outsized ambitions In *The Shining Sea* award winning historian George C Daughan tells the full story of Porter s thrilling action packed voyage revealing the heights of Porter s hubris and the true depths of his failure on this fateful cruise

Intent on achieving personal glory Porter made the treacherous journey around Cape Horn and into the Pacific Ocean where he planned to capture a British man of war From Valparaíso to the Galapagos to the Marquesas the Essex roamed the South Seas seizing British whaling and merchant ships wreaking havoc on British commerce and earning Porter and his men wealth and acclaim Flush with his victories Porter welcomed the news that a British frigate the HMS Phoebe was on his tail and he resolved to capture her But Porter could not overcome the Phoebe's superior firepower Over the course of a desperate bloody battle he lost the Essex and over two thirds of her crew a shocking end to a daring journey A swashbuckling tale of risk and ruin on the high seas The Shining Sea brings to life the monomaniacal quest of one of the most misunderstood commanders of the War of 1812 Porter's singular voyage Daughan shows stands as a cautionary tale for any leader who would put personal glory and ambition ahead of cause and countrymen **Fathoming the Ocean** Helen M
