Matthew Spirituality For The 80s And 90s:

Matthew Leonard Doohan,1993-01-01 **Matthew** Leonard Doohan,1985 *Exploring the Spirituality of the Gospels*
Patrick J. Hartin,2011-05-01 Within each of the four gospels there is a foundational spirit a spirituality of the gospels That is to say each gospel contains rich images and values central to the Vision of the person of Jesus and to the path toward spiritual transformation in his image In this volume Patrick Hartin first looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin then follows with examples of people who have appropriated the transformative power of these particular spiritualities from Saint Antony and Dorothy Day to Saint Augustine and Archbishop Romero Hartin s twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and Vision **Matthew** Leonard Doohan,2016-08-31 *Matthew A Gospel for a Divided Community* is a work of biblical theology with special interest in spirituality There are very few books available today that approach scripture with the specific interests of spirituality Generally Bible commentaries are exegesis of the text without application or interpretation to real life issues *Matthew* is a work of biblical spirituality In approaching the Gospel of Matthew the author deals with all the usual questions of books on the Bible where it was written by whom why when how However in approaching these topics Dr Doohan focuses on the implications for Christians living today For example when he deals with Matthew he is not so much interested in historical information as he is in Matthew s attitudes and approaches to life which are very relevant and challenging to us today *Pentecostalism in Context* Wonsuk Ma,Robert P. Menzies,2008-01-04 *Pentecostalism in Context* is a collection of essays produced by Pentecostal scholars from North America Europe and Asia The essays produced in their various geographical and cultural contexts reflect the rich diversity that characterizes the Pentecostal movement Biblical theological and missiological issues relevant to the Pentecostal movement are treated The book thus represents a valuable resource for those seeking to understand better the key intellectual currents within this dynamic and influential movement The essays are offered in honor of William Menzies a leading Pentecostal scholar and Chancellor of Asia Pacific Theological Seminary Baguio City Philippines *Contemporary Catholic Theology* Michael A. Hayes,Liam Gearon,1999-03-01 The contents of this volume offer the reader a broad insight into Catholic theology Established as an indispensable introduction to six areas of study The Old Testament The New Testament The Person of Jesus The Church Christian Morality and The Sacraments This collection provides key texts from some of the most distinguished writers in Catholic theology today Contributors include Philippe BTguerie and Claude Duchesneau Christopher Butler Raymond Brown S S Joseph A Fitzmyer S J Gideon Goosen and Margaret Tomlinson John H Hayes Monika Hellwig Aidan Kavanagh O S B Dermot A Lane Enda Lyons Vincent MacNamara Richard P McBrien Enda McDonagh Joseph Martos Robert Murray S J Denis F O Callaghan Timothy E O Connell John F O Grady Jean Pierre PrTvost Thomas P Rausch S J Jeffrey S Siker Daniel L Smith Christopher Francis Sullivan S J *John* Leonard Doohan,2016-08-31

John A Daring Vision of Faith delivers a unique understanding of the good news Dr Doohan calls John s Gospel a challenging and refreshing foundational document for Christian faith because it calls to a deep mysticism and avoids the clutter of petty laws and power struggles so typical of inauthentic religion John s Gospel has always been characterized as coming from the fruits of reflection and deep prayer and it cannot be comprehended unless one enters into a deep mystical state The author aids the reader in entering this spiritual state required to truly know John s gospel of Christ Mark Leonard

Doohan,2016-08-31 Mark is one of the most daring figures of the early church but at the same time he is not easily labeled He is the first to assemble the oral traditions about Jesus thereby showing his fidelity and devotion to the past But he is equally forceful in challenging his own church s accumulated traditions especially those he does not see as authentically representative of the events of Jesus s life and ministry He respectfully documents the authority of church leaders and still feels free to challenge them At times it is difficult to know what to make of Mark One point is clear no Christian of any time can read this gospel without being challenged by it **The Corinthian Correspondence** Helen Doohan,2016-08-18

The Corinthian correspondence and the community it reflects are exciting and exasperating interesting and complex The letters offer us a window of opportunity to view Paul s personal and pastoral presence in his growing relationship with this church Struggling with his own history the history of the community and the newness of the Gospel he preaches Paul identifies an approach that balances tradition and innovation theological foundations and principles of action The passion persuasion and purpose of the apostle permeate these letters and no one is unaware that the Lord Jesus is the center of his Gospel message and of his life Paul offers insight into the commitment of early apostles disciples and ministers in the Corinthian community He personally experiences the dying and rising of Christ in his work with this community giving a ring of truth to his own assessment of Christian life and ministry Only faith transforms adversity into an opportunity for growth and Paul s faith and perseverance offer hope to those of us who continue to experience the paradoxes of Christian life and ministry Acts of the Apostles Leonard Doohan,2016-08-31

The author of Acts is a wonderful catechist and pastoral leader an exciting person who demonstrates a creative responsibility for the faith and approaches critical issues with insight At a major turning point in the history of early Christianity Luke interprets Jesus s message for new times and new conditions Thus he provides an example for present day communities to follow in their constant efforts to be faithful while presenting Jesus s message in ways that are relevant to changing times and cultures Acts is a wonderful book to read for any disciple but especially for anyone involved in the ongoing renewal of church life today Paul s Vision of Church Helen Doohan,2016-06-03

The church always seeks to renew itself and redefine the dedication to the values that Jesus hoped the church would live and promote This book endeavors to bring vision and challenge to our contemporary efforts to build church by going back to the beginnings of the church and examining the vision and commitment of the Apostle Paul He became involved in a very energetic and often controversial mission to the churches he founded He is an original thinker who allows the message of Jesus to penetrate the

social realities of his day Let us observe how he spent his time discover the source of his zeal and energy and appreciate his dynamic and changing understanding of the church community Paul has so much to teach us in our contemporary efforts to understand and energize church

Prayer in the New Testament Helen Doohan, Leonard Doohan, 2016-10-07 In recent years Christians have increasingly turned to Scripture to nourish their prayer life Prayer in the New Testament focuses on biblical prayer seeing its intimate connection with contemporary spirituality and discovering models in the spiritual leaders of New Testament times The New Testament writers gave their communities understandings of prayer and its centrality for the person and community of faith Their complementary presentations help us catch a glimpse of the richness of prayer for the early community and rediscover its centrality for ourselves *Spirituality of the Beatitudes* Michael Crosby, 2005-01-01

Christianity: First 2000 Years Geoffrey Edwards, David L. Edwards, 2001-01-01 David Edwards provides a sensitive critique which is helpful to those with no specialist knowledge and satisfying to the theologically educated Church Growth Digest *Uniform Trade List Annual*, 1989 *Entheogens and the Future of Religion* Robert Forte, 2012-01-25 A study of the importance of psychedelic plants and drugs in religion and society With contributions by Albert Hofmann R Gordon Wasson Jack Kornfield Terence McKenna the Shulgins Rick Strassman and others Explores the importance of academic and religious freedom in the study of psychedelics and the mind Exposes the need for an organized spiritual context for entheogen use in order to fully realize their transformative and sacred value We live in a time when a great many voices are calling for a spiritual renewal to address the problems that face humanity yet the way of entheogens one of the oldest and most widespread means of attaining a religious experience is forbidden surrounded by controversy and misunderstanding Widely employed in traditional shamanic societies entheogens figure prominently in the origins of religion and their use continues today throughout the world They alter consciousness in such a profound way that depending on the set and setting they can produce the ultimate human experiences union with God or revelation of other mystical realities With contributions by Albert Hofmann Terence McKenna Ann and Alexander Shulgin Thomas Riedlinger Dale Pendell and Rick Strassman as well as interviews with R Gordon Wasson and Jack Kornfield this book explores ancient and modern uses of psychedelic drugs emphasizing the complementary relationship between science and mystical experience and the importance of psychedelics to the future of religion and society Revealing the mystical religious possibilities of substances such as psilocybin mushrooms mescaline and LSD this book exposes the vital need for developing an organized spiritual context for their use in order to fully realize their transformative and sacred value Stressing the importance of academic and religious freedom the authors call for a revival of scientific and religious inquiry into entheogens so they may be used safely and legally by those seeking to cultivate their spiritual awareness *Subject Guide to Books in Print*, 1997 **The Path** Matthew Roland Adams, 2015-05-15 The Path A Market Makers Financial Path to Spiritual Awakening is the diary of how a member of a major stock exchange found his true spiritual path while working in the snake pit Author Matthew Roland

Adams explains the fundamentals of option trading while telling the story of how option trading success can be achieved once you learn to truly see what is going on in this financial and politically controlled world He has a spiritual view of the world that he believes extends to financial markets This is his personal diary offers an opportunity to take a look at equity options trading from the floor perspective Those who work there learn to look at markets with a view towards providing fairness speed and efficiency The overriding journey to success for us all is a spiritual evolution And even when we think we need a diversion from that path or reject it out of hand the universe may dictate otherwise Through his journal Adams talks honestly about spiritual consciousness and how it engages us when we least expect it and in places we thought were void of any spiritual essence like the trading floor The Path leads us to where we need to be spiritually in spite of our best efforts and enables us to view success as enlightened

Traveling with Matthew James W. Hulse, 2021-06-24 The purpose of Traveling with Matthew is to revisit the power of a great story to shape our lives both in church and society Unstoried we lose our way home In a sermonesque style of engaging with our deep concerns and more common questions the author seeks to draw us closer to Matthew We may hear Jesus forwarding the story of Israel as a light to the world We may see Jesus walking among the least of these with a passion for healing and justice We may follow as Jesus takes upon himself the crosses borne by the world and in anguish gathers our cries to God Only then do we walk with the women on those two legs of fear and great joy and live by their message as apostles to the apostles John Donne Perhaps Matthew may rise on our favorites list of Gospels Its demands are challenging but not legalistic Its message is centered in Jesus Christ and related to Israel Written in a first century context of conflict and chaos Jesus in Matthew delivers an urgent call for our lives to matter as blessed by God With hope to endure Matthew offers the presence of God for the harassed and helpless of earth With power as Scripture God with Us Emmanuel continues to encounter the poor in spirit and creates a worldwide community of healing and hope light and joy Deserving of a fresh hearing Matthew is truly good news though not always easy news for our day
