It serves as an important resource for learning about the life and teachings of Jesus Christ. The Apostles needed this teaching so that they could effectively form the foundation upon which the future Christian church would be built. They needed this teaching to obey the commandment which Jesus gave them: Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I have commanded you. Matt 28:19-20. Using an easy to understand format, The Gospel of Matthew offers an in depth study that reveals why Christ's presence forever changed the world. Author Carol Walker explores the true nature of Jesus, his mission on Earth and his ministry. From his birth to his death and resurrection, Walker recounts Jesus' life and in so doing reveals how Jesus fulfilled Old Testament prophecy. Walker presents thirty-four lessons that cover the twenty-eight chapters of Matthew. Each chapter is summarized to provide historical and cultural background information and a question and answer section presents an opportunity for further discussion. Lessons include the important work of the Holy Spirit, the ministry of John the Baptist, the Sermon on the Mount, Jesus' interpretation of the Ten Commandments and much more. The Gospel of Matthew presents a comprehensive study for individuals or groups. If you're seeking to expand your knowledge of Jesus' life and teachings and want to deepen your faith, let this be your guide.

A Simple Guide to Matthew Paul J. McCarren, SJ, 2012-11-21. The Gospel writers state they aim to tell the story of Jesus in a clear manner, but throughout Paul McCarren's years in ministry, he has seen that these simple and important messages are too often missed. In his Simple Guides to the Gospels series, McCarren provides a new translation of each Gospel book, leading readers chapter by chapter through the text. Each section includes scripture and a brief, engaging commentary about how readers can relate to the material. The Simple Guides introduce readers to life in early Christianity, describe points of controversy, and show how each section fits with those that went before. The Simple Guide to Matthew highlights many of Jesus' compelling sayings, stories such as the Sermon on the Mount, and key themes of Jesus' ministry such as trust. The books in the Simple Guides to the Gospels series are available individually or together as a complete set.

The Gospel of Matthew Rudolf Schnackenburg, 2002. From ancient times, the Gospel of Matthew has been regarded as the church Gospel; its aims are preeminently catechetical, pastoral, and missionary. But recent research raises many questions regarding Matthew's creation, theological intentions, and shaping for the circle of its first recipients. This highly original commentary by Rudolf Schnackenburg follows Matthew chapter by chapter and verse by verse, carefully explaining and interpreting the text against both its primitive and current horizons. Schnackenburg sees Matthew's purpose as simply the proclamation of Christian salvation. His commentary gives extra attention to the great discourses of Jesus found in Matthew, such as the Sermon on the Mount, showing how Jesus' words and works have special currency for the self-understanding of the church and for the task of Christian living today. Written by a master exegete with a pastor's sensitivity, this commentary will fast become a classic study of Matthew's Gospel.

The Mind of Christ Sylvester Veal Jr., 2013-10-25. Everywhere you go, you hear man's ideology about what God Jesus is saying. But little do they know God Jesus

and the Holy Spirit is saying something completely different What makes matters worse is that many people are following bad tainted information because they have not sought God for discernment nor studied His Word i e the Bible for the truth In order to put an end to man s ideology we quickly dive into the Gospel of Matthew and go straight to the source Jesus to see what was exactly said about certain life topics Sylvester Veal Jr *The Acceptable Year of our Lord* Clyde Wilcox,2023-02-09 Knowing this first that no prophecy of the scripture is of any private interpretation For the prophecy came not in old time by the will of man but holy men of God spake as they were moved by the Holy Ghost Holy Spirit 2 Pet 1 20aEUR21 God Almighty is the author of the Bible GodaEUR tm s written Word All scripture is given by inspiration of God 2 Tim 3 16a There are many different conclusions and theories of the life and ministry of Jesus Christ There is much still to be revealed by God so we wait for the return of Christ Only then we will know all the truth This study was worked on with due diligence in an effort to rightly divide and stay true to the scriptures Utilizing known dates from the feasts of the Lord weekly Sabbaths and distance from one location to another Thanks to God for his love that worked in my heart that brought excitement and joy during the course of the study It is my heartaEUR tm s desire that at least one person will find the same joy and excitement in reading this study as I had with the Father God when I put it together GodaEUR tm s blessings to all from myself and my wife Deanne

[The Vision of Matthew](#) John P. Meier, 2004-09-30 In this volume Father Meier explores how Matthew remodeled the form the Christological message and the moral demand of the gospel Part I shows Matthew's church in crisis It was experiencing a shift in its Christian existence from a narrow Jewish Christian past to a universal Gentile future To preserve yet reinterpret the particularistic traditions of that Jewish Christian past Matthew drew up a model of salvation history and then reshaped the gospel message to fit it Part II offers a mini commentary on the whole gospel to illustrate this reshaping of the message Pericope by pericope Matthew presents Jesus as Son of God and Son of Man and therefore as the definitive teacher of his Church Indeed the nexus between Christ and his Church emerges as the outstanding characteristic of Matthew's gospel Part III studies Matthew's construction of a unified moral vision on the basis of this connection between Christ and Church The basic stance of Jesus and his disciples towards the Mosaic Law is one of fulfillment a prophetic fulfillment which involves at times a deepening of at times the abrogation of the letter of the Law

God with Us D. A. Carson, 2009-09-01 The virgin will be with child and will give birth to a son and they will call him Immanuel which means God with us Matthew 1:23 NIV God with Us No phrase could better describe the life and ministry of Jesus as chronicled by the apostle Matthew Through the pages of Matthew's Gospel we get a glimpse of Jesus the Messiah the promised Son of God Read God with Us and encounter the living Christ face to face o Follow Jesus from his humble beginnings in a stable to His baptism by John and His triumphant victory over the temptations of Satan o Listen as He explains God and His kingdom to His disciples Blessed are the poor in spirit The kingdom of Heaven is like a king who prepared a wedding banquet for his son Love your neighbor as yourself o Marvel at the power Jesus displays power to heal to save to bring new life o Follow the Son of God to the cross and beyond This thorough yet practical study of Matthew's Gospel is a must for any Christian who desires a complete understanding of who Jesus Christ is why He came to earth how He is related to the Old Testament and how His life death

and resurrection can energize daily life **A Study of the Gospel of Matthew** Dennis Dinger,2014-07-14 Matthew's Gospel was written with the Jewish people in mind He presents Jesus of Nazareth as their King He included many Old Testament quotes in his narrative All important events in Jesus life from His birth to His death to His resurrection are included This Gospel is a wonderful testimony to the life of Jesus Christ Son of God King It is a document of great value to every man woman and child because it presents eye witness testimonies to the life of Jesus **The Authorized Biography of Jesus Christ** Mano Govindaraj,2012 The author describes how as a high school student he first met the scientific approach to the study of the Gospels and learned that the Gospel of St Matthew was copied from an older document called Q The question arose if Matthew was a disciple of Jesus why would he need another document to write about Jesus A life long struggle to answer that question resulted in the development of this new Interpretation Matthew was a trained tax accountant Taxation is all about keeping records and diaries Jesus called Matthew to be a disciple Matthew did what he knew best keeping records and diaries as directed by Jesus Analyzing its contents using principles of information assurance Mano concludes that this gospel is in two parts The first nine chapters happened before the call of Matthew and the source of data is Jesus After chapter ten Matthew is the source of data He recorded events as indicated by Jesus including events after the arrest This is the justification for calling it an authorized biography of Jesus Christ The Ascension is omitted That significant omission proves that this gospel was not written by a later Christian believer or organization but happened because Matthew ceased his diaries before the Ascension These diaries were obtained by Christians many years later and recognized as a gospel Expository Thoughts on the Gospels John Charles Ryle,1860 *Reflections on the Gospel of Matthew* Maris McCrabb,2010-04-01 Do you want to better understand scripture Reflections on the Gospel of Matthew takes a unique thematic approach to the first Gospel that creates a better understanding of God's word Reflections cover all of the major themes in Matthew God the Kingdom of God Jesus Jesus mission salvation us and our mission The Bible is God's plan for our redemption and salvation The Gospel of Matthew presents the role of Jesus Son of God and Messiah in God's plan Jesus teaches us that faith in Him and loving and serving God by loving and serving one another is our path to eternal life Believers know scripture is essential for a full life in Christ Reflections on the Gospel of Matthew offers a unique approach to Bible study Matthew's words and explanations of the text are included throughout the book Who Matthew was and who he wrote for will also be revealed as well as where Matthew's Gospel fits into the rest of the Bible and how the Bible became available in English Whether used for Bible study groups or for individual study Reflections on the Gospel of Matthew brings to life the words of the everlasting life of Christ spoken for our redemption and salvation found in the Gospel of Matthew **The Structure of Matthew's Gospel** David Bauer,2015-01-29 This book addresses a central issue confronting the reader of the Gospel Professor Bauer describes the impasse that has been reached in recent investigation of the structure of Matthew and demonstrates that an appreciation of literary design can provide a way forward After identifying rhetorical features that

relate to literary structure he devotes the major part of his book to a systematic examination of such features as they appear in the Gospel in order to gain a fresh insight into the shape of the work This study is valuable both for its comprehensive and judicious review of the question of structure in Matthew's Gospel and for the new direction which it establishes *Matthew 10-20* Kevin Perrotta, 2010-06 In the book of Matthew Jesus teaches his disciples and us how to follow him Matthew 10:20 On the Road with Jesus brings to life the teachings of Jesus as found in the book of Matthew A Guided Discovery of the Bible The Bible invites us to explore God's word and reflect on how we might respond to it To do this we need guidance and the right tools for discovery The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six week format Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives Each guide is faithful to Church teaching and is guided by sound biblical scholarship presents the insights of Church fathers and saints includes questions for discussion and reflection delivers information in a reader friendly format gives suggestions for prayer that help readers respond to God's word appeals to beginners as well as to advanced students of the Bible By reading Scripture reflecting on its deeper meanings and incorporating it into our daily life we can grow not only in our understanding of God's word but also in our relationship with God
