

Loose Leaf

OceanPro H. O. has developed a new service for its clients: Loose Leaf corrections.

Thought to lighten the work on board of the seafarers, the service, easy and immediate, reduces the time taken to cut and paste the corrections to the Admiralty List of Lights and Fog Signals and List of Radio Signals.

But the true news is the possibility of choice given by the service.

In fact, not only it is available on paper, but also in the digital format, with a further cut in its costs. The ship every week will receive an e-mail (a few hundreds of KB): simply print and replace the original pages in the ring binder with the corrected copies.

But the news doesn't stop there: our Loose Leaf aren't scanned images but pages completely corrected in vector format, which allows you to have copies true to the original, in high resolution and full color. Each copy must pass a rigorous quality control before despatch.

An high quality product, innovative and secure at a very competitive price.
