Religion Sexuality

Andrew Kam-Tuck Yip, Sarah-Jane Page

Religion Sexuality:

Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully Religion and Sexuality Kevin Hillstrom, 2008

Presents a collection of essays with different viewpoints on the relationship between religious belief and sexuality with discussions on homosexuality gay marriage belief in God and reproductive rights abortion celibacy and the ordination of women **The Bloomsbury Reader in Religion, Sexuality, and Gender** Donald L. Boisvert, Carly

Daniel-Hughes, 2016-11-03 How do religion gender and sexuality interact How have they impacted and continue to impact human culture The Bloomsbury Reader in Religion Sexuality and Gender brings together for the first time the key texts in the field Designed as a textbook for use in a classroom setting it offers thought provoking selections of some of the most compelling and timely readings available today The Reader is divided into three parts bodies desires performances Each considers from a thematic perspective the ways in which people have made sense of their religious and sexual experiences the ways they imagine and talk about gender sex and the sacred and the multiple meanings they ascribe to them Traditions represented include indigenous spiritualities Christianity Judaism Islam Asian traditions and new religious movements Some readings are more theoretical or historical in nature thereby providing wide ranging contexts for reflection and discussion The reader includes extensive introductions to the book as a whole and to each of the three parts as well as short paragraphs contextualizing each of the readings Each section includes discussion questions for classroom use additional readings and resources as well as a glossary of key terms are also provided The Bloomsbury Reader in Religion Sexuality and Gender is an ideal resource for courses on religion and sexuality religion and gender or religion and contemporary culture more generally

Religion and Sexuality Pamela Dickey Young, Heather Shipley, Tracy J. Trothen, 2015-01-31 The relationship between religion and sexuality is often framed as inherently conflictual Religious groups and ideologies have long influenced the public regulation of sexuality and recent controversies include religious opposition to same sex marriage sex education in schools and non traditional expressions of sexual identity But what actually happens when religion and sexuality converge in contemporary contexts Religion and Sexuality challenges the commonly held assumption that religion's relationship to sexuality is solely bound up with regulation In this provocative examination of both sexual and religious diversity chapters go beyond the familiar debates over tolerance and accommodation to explore the ways in which various forms of religious affiliation and sexual identity do in fact co exist Drawing on interviews and analyzing media representations legislation and public discourse on topics such as education economics and same sex marriage in North America and the United Kingdom

this volume foregrounds the complexity and multiplicity of religious and sexual identities and practices **Religion and Sexuality in Cross-Cultural Perspective** Stephen Ellingson, M. Christian Green, 2014-03-18 Issues of sexuality and gender are hotly contested in both religious communities and national cultures around the world In the social sciences religious traditions are often depicted as inherently conservative or even reactionary in their commitments to powerful patriarchal and pronatalist sexual norms and gender categories In illuminating the practices of religious traditions in various cultures these essays expose the diversity of religious rituals and mythologies pertaining to sexuality In the process the contributors challenge conventional notions of what is normative in our sexual lives **Sex and the Soul** Donna Freitas, 2008-04-11 Based on dozens of face to face interviews Sex and the Soul explores the sexual and spiritual lives of today's college students Donna Freitas crisscrossed the country visiting a range of America's colleges and universities from public to private Catholic to evangelical to find out what students had to say about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face Indeed the book uncovers aspects of college life that may unsettle some readers especially parents Many campuses for instance are dominated by the pervasiveness of hook up culture Moreover many students see little connection between sex and religion even as they seek one between sex and spirituality Indeed these observations hold true even at Catholic schools Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex But Freitas's research also reveals that even at secular schools students are not comfortable with a culture of casual sex and that they do want spirituality at least if not also religion to speak about what they should do and who they should try to be not just what they should avoid doing Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics in a book that will be of great interest to students parents clergy teachers and anyone who wants to know what's happening on today's college campuses Named one of the Best Religion Books of 2008 by Publishers Weekly Fascinating disturbing engaging persuasive Freitas's work chronicles a poignant spiritual loss that students themselves articulate and mourn Publishers Weekly Candid disturbing yet ultimately hopeful Throughout this beautifully written book Freitas presents students feelings and experiences in an unflinching yet compassionate way You care about these young people and their struggles This book is a great service to students parents and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives Christian Science Monitor *Love, Sex and Gender in the World Religions* Nancy M. Martin, Joseph Runzo, 2000-08 This new volume offers enlightening new perspectives on the roles of love sex and gender in different faiths and covers issues from gender politics to religious ecstasy *Intersecting Religion and Sexuality*, 2020-10-20 Listen to the podcast on Chapter 2 Ethnicity Gender and Class in the Experiences of Gay Muslims This edited collection *Intersecting Religion and Sexuality Sociological Perspectives* outlines what an intersectional analysis can offer research into religion and sexuality It draws on various research projects which

focus on different facets of this topic such as queer sexualities unmarried motherhood and heterosexuality to explore how religion and sexuality intersect with each other and with other identities such as ethnicity gender and social class Given the predominantly heteronormative nature of many religious traditions marginality power dynamics and inequalities are central to these interrogations Intersectionality is an important theoretical lens through which to explore identities that are variously impacted by particular power dynamics and axes of privilege and disadvantage Contributors are George Okechukwu Amakor Rebecca Barrett Fox Christopher Brittain Katie Gaddini Dorota Hall Emmanuele Lazzara Andrew McKinnon Teguh Wijaya Mulya Sarah Jane Page Shanon Shah Heather Shipley Alex Toft Andrew Kam Tuck Yip Pamela Dickey Young

Religion, the Secular, and the Politics of Sexual Difference Linell E. Cady, Tracy Fessenden, 2013-11-05 Global struggles over women's roles rights and dress increasingly cast the secular and the religious in tense if not violent opposition When advocates for equality speak in terms of rights and modern progress or reactionaries ground their authority in religious and scriptural appeals both tend to presume women's emancipation is ineluctably tied to secularization Religion the Secular and the Politics of Sexual Difference upsets this certainty by drawing on diverse voices and traditions in studies that historicize question and test the implicit links between secularism and expanded freedoms for women Rather than position secularism as the answer to conflicts over gender and sexuality this volume shows both religion and the secular collaborate in creating the conditions that generate them

The Ashgate Research Companion to Contemporary Religion and Sexuality Andrew K.T. Yip, 2016-04-01 The Ashgate Research Companion to Contemporary Religion and Sexuality provides academics and students with a comprehensive and authoritative state of the art review of current research in the area of sexuality and religion broadly defined This collection of expert essays offers an interdisciplinary study of the important aspects of sexuality and religion calling upon sociological cultural historical and theological contributions to an under researched subject The Companion focuses on the exploration of diverse religious faiths spiritualities and sexualities with contributions that embrace many contrasting approaches related to the contemporary context By adopting a truly interdisciplinary and multi dimensional perspective the Companion embraces the complexities of both sexuality and religion Aimed primarily at a readership with specialist interest in both The Ashgate Research Companion to Contemporary Religion and Sexuality offers an innovative and refreshing analysis of key theoretical and empirical issues in an increasingly relevant and expanding area of academic interest The Companion comprises five main thematic sections each with chapters ranging across a variety of crucial topics traversing various faith traditions The principal themes are epistemological and methodological issues the significance of religious text institutional religious settings stability transformation and change contesting hegemonic structures and discourses Each section includes four chapters contributed by leading international experts in their respective fields and who are at the cutting edge of current research Collectively they offer an interdisciplinary and comprehensive survey of sexuality and religion

Encyclopedia of Sex and Sexuality Heather L. Armstrong, 2021-03-01 Providing a

comprehensive framework for the broad subject of human sexuality this two volume set offers a context of historical development scientific discovery and sociopolitical and sociocultural movements The broad topic of sex encompassing subjects as varied as sexuality sexual and gender identity abortion and such crimes as sexual assault is one of the most controversial in American society today This two volume encyclopedic set provides readers with more than 450 entries on the subject offering a comprehensive overview of major sexuality issues in American and global culture Themes that run throughout the volumes include sexual health and reproduction sexual identity and orientation sexual behaviors and expression the history of sex and sexology and sex and society Entries cover a breadth of subjects such as the major contributors to the field of sexology the biological psychological and cultural dimensions of sex and sexuality and how the modern day political climate and the government play a major role in determining attitudes and beliefs about sex Written in clear jargon free language this set is ideal for students as well as general readers

Religion and Sexuality Pamela Dickey Young, Tracy Joan Trothen, Heather Shipley, 2015 The relationship between religion and sexuality is often framed as inherently conflictual But what actually happens when religion and sexuality converge in contemporary contexts This provocative volume goes beyond the familiar debates over toleration and accommodation to explore the ways in which various forms of religious affiliation and sexual identity do in fact co exist Drawing on interviews and analyzing media representations legislation and public discourse on topics such as education economics and same sex marriage in North America and the United Kingdom this book foregrounds the complexity and multiplicity of religious and sexual identities and practices

Religious and Sexual Identities Andrew Kam-Tuck Yip, Sarah-Jane Page, 2016-04-08 Presenting qualitative and quantitative findings on the lived experiences of around seven hundred young adults from Christian Muslim Jewish Hindu Buddhist Sikh and mixed faith backgrounds *Religious and Sexual Identities* provides an illuminating and nuanced analysis of young adults perceptions and negotiations of their religious sexual youth and gender identities It demonstrates how these young adults creatively construct meanings and social connections as they navigate demanding but exciting spaces in which their multiple identities intersect Accessible quantitative analyses are combined with rich interview and video diary narratives in this theoretically informed exploration of religious and sexual identities in contemporary society A timely investigation revealing the multiplicity of contemporary identities this book will appeal not only to sociologists and scholars of religion but also to those working in the fields of youth studies sexuality gender and identity

Christian Perspectives on Sexuality and Gender Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family

Human Sexuality Craig A. Hill, 2008 Written to promote the development of students critical thinking and analytical abilities through the analysis of theory and evidence concerning sexuality this book covers topics typically covered in human sexuality courses anatomy physiology gender love and relationships

development reproductive issues disorders but from a psychological perspective Globalized Religion and Sexual Identity,2014-04-24 Globalized Religion and Sexual Identity reflects on the ways religion gender and sexual identity are framed and regulated in multiple spheres across the globe Controversies in the public arena regarding religion and sexual identity often construct these categories as inherently oppositional or already in conflict As state policies regarding sexuality and sexual diversity develop promoting inclusivity and non discrimination it is imperative to develop a more nuanced discussion

regarding the relationship of religion ideology to sexual diversity and sexuality The goal of this volume is to explore religion and sexual identity from a range of countries across the globe focusing on the theme of religious ideological voices in state policies such as same sex marriage identification and education Contributors include Heather Shipley Rebecca Barrett Fox Chiu Man chung Kate Power Am lie Barras Dia Dabby Janet R Jakobsen Ann Pellegrini Ana Cristina Leal Moreira Lima Vera Helena Ferraz de Siqueira Marcia Bastos de S Riva Lieflander Shun Hing Chan Ping Huang Stephen Hunt Nina Rosas

Cristina Maria de Castro Anna Strhan Nesochi Chinwuba Pamela Dickey Young Yvette Taylor and Ria Snowdon **Religion and Sexualities** Sarah-Jane Page,Heather Shipley,2020-05-05 This book examines key themes and concepts pertaining to religious and sexual identities and expressions mapping theoretical methodological and empirical dimensions It explores the ways in which debates around sexuality and religion have been framed and what research is still needed to expand the field as it develops Through the deployment of contemporary research including data from the authors own projects Religion and Sexualities offers an encompassing account of the sociology of sexuality and religion considering theoretical and methodological lenses queer experiences and how sexuality is gendered in religious contexts This comprehensive text will act as an essential accompaniment to scholars and students across the social sciences and humanities whether they have a general interest in the field or are embarking on their own research in this area Christians Under Covers Kelsy

Burke,2016-02-09 Christians under Covers shifts how scholars and popular media talk about religious conservatives and sex In an ethnography drawn from Christian sexuality websites Kelsy Burke examines how some evangelical Christians use digital media to promote the idea that God wants married heterosexual couples to have satisfying sex lives These evangelicals maintain their religious beliefs while incorporating feminist and queer language into their talk of sexuality encouraging sexual knowledge emphasizing women s pleasure and justifying marginal sexual practices within Christian marriages This book complicates boundaries between normal and subversive empowered and oppressed and sacred and profane Provided by publisher *Sexual Identity and Faith* Mark A. Yarhouse,2019-02-20 Christians who struggle with a conflict between their sexual and religious identities have few therapeutic options available to them Sexual orientation change efforts SOCE have rightly fallen out of favor and are no longer practiced by most clinicians At the same time the common approach of gay affirmative therapy GAT can at times present challenges and may not be a good fit when clients hold to conventional religious beliefs and values An alternative to these methods is Sexual Identity Therapy SIT an approach

that aims to provide individuals with a safe therapeutic space to explore the tension between their sexuality and their faith. Working within the SIT framework, clients are able to resolve their inner conflict to their personal satisfaction and to freely choose a coherent identity that enables them to move forward in life. SIT has several stages, each designed to enable the client to make meaning out of his or her same-sex sexuality. At no point in the process is the client encouraged to choose one sexual identity over another. The ultimate goal of SIT is congruence. Congruence is achieved when a person freely adopts an identity and lives it out in ways that are in keeping with his or her beliefs and values. The SIT model is brought to life throughout the book with the help of case studies drawn from the author's 20 years of experience. Written for both Christian and non-religious clinicians, *Sexual Identity and Faith* is an informed, respectful, and nuanced guide to help people navigate the difficult conflict between who they are sexually and what they believe religiously.

Sex & God Darrel Ray Ed D., Darrel Ray, 2012. Why are all the major religions consumed with sex? What makes sex so important, whether Buddhism or Islam, Christianity or Mormonism? What is the impact of religion on human sexuality? This book explores this and more. It ventures into territory that has never been examined. You will be surprised at how much religion has influenced your sexuality, who you marry, the pleasure you get or don't get from sex, and what you can do about it.

Thank you very much for downloading **Religion Sexuality**. Maybe you have knowledge that, people have search hundreds times for their favorite novels like this Religion Sexuality, but end up in infectious downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they juggled with some harmful bugs inside their laptop.
