Representative Bibliography Of American Labor History:

A Representative Bibliography of American Labor History Maurice Frank Neufeld, 1964 **A Representative Bibliography of American Labor History** Maurice F. Neufeld, 1964 **American Working Class History** Maurice F. Neufeld, Daniel J. Leab, Dorothy Swanson, 1983 **The Labor History Reader** Daniel J. Leab, 1985 The Labor History Reader celebrates the first quarter century of the premier journal in its field and provides the richest available source of contemporary thought on American labor history The result is not only a revealing look at the history of American labor but also a better understanding of our changing attitudes toward that history The list of authors in The Labor History Reader reads like an honor roll of the most distinguished labor historians in the United States The volume itself is excellent in chronological scope wide ranging in subjects treated and representative of the main currents of thought which stimulate the writing of American working class history today Maurice F Neufeld professor of labor and industrial relations Cornell University **A Guide to Sources of Information on the National Labor Relations Board** Gordon T. Law Jr., 2018-10-24 A concise history of the board in the U S from its inception in 1935 including an overview of current case law and a bibliographic essay of selected secondary literature about the board **American Labor History** Michigan State University. Library, Martha Jane Soltow, Mary Diebold, 1980 Historical Dictionary of Organized Labor James C. Docherty, Sjaak van der Velden, 2012-06-14 Organized labor is about the collective efforts of employees to improve their economic social and political position It can be studied from many different points of view historical economic sociological or legal but it is fundamentally about the struggle for human rights and social justice As a rule organized labor has tried to make the world a fairer place Even though it has only ever covered a minority of employees in most countries its effects on their political economic and social systems have been generally positive History shows that when organized labor is repressed the whole society suffers and is made less just The Historical Dictionary of Organized Labor looks at the history of organized labor to see where it came from and where it has been This is done through a chronology an introductory essay appendixes a glossary of terms and an extensive bibliography The dictionary section has over 400 cross referenced entries on most countries international as well as national labor organizations major labor unions leaders and other aspects of organized labor such as changes in the composition of its membership This book is an excellent access point for students researchers and anyone wanting to know more about organized labor Historical Dictionary of Organized Labor Sjaak van der Velden, 2021-04-22 From the start of its existence organized labor has been the voice of workers to improve their economic social and political positions Beginning with small and very often illegal groups of involved workers it grew to the million member organizations that now exist around the globe It is studied from many different perspectives historical economic sociological and legal but it fundamentally involves the struggle for workers rights human rights and social justice In an often hostile environment organized labor has tried to make the world a fairer place Even though it has only ever

covered a minority of employees in most countries its effects on their political economic and social systems have been generally positive Despite growing repression of organized labor in recent years membership numbers are still growing for the benefit of all employees including the non members Historical Dictionary of Organized Labor Fourth Edition makes the history of this important feature of life easily accessible The reader is guided through a chronology an introductory essay 600 entries on the subject appendixes with statistical material and an extensive bibliography including Internet sites This book gives a thorough introduction into past and present for historians economists sociologists journalists activists labor union leaders and anyone interested in the development of this important issue

Bibliographies in American History, 1942-1978 Henry Putney Beers,1982 **Resources for Interpreters** ,1982 **Relationships with Labor Organizations** United States. Department of the Army,1974 *Sources for U.S. History* W. B. Stephens,2003-01-30 This book offers a detailed and comprehensive guide to contemporary sources for research into the history of individual nineteenth century U S communities large and small The book is arranged topically covering demography ethnicity and race land use and settlement religion education politics and local government industry trade and transportation and poverty health and crime and thus will be of great use to those investigating particular historical themes at national state or regional level As well as examining a wide variety of types of primary sources published and unpublished quantitative and qualitative available for the study of many places the book also provides information on certain specific sources and some individual collections in particular those of the National Archives *The American Labor Movement* David Brody,1985 This collection of essays originally published by Harper and Row in 1971 traces the development of the American labor movement and its evolution from the first trade union The contributors challenge Perlman s Wisconsin Theory and provide an understanding of the continuities between the labor movement of 1928 and that of 1970 *Labor in America* Melvyn Dubofsky,Joseph A. McCartin,2017-03-08 This book designed to give a survey history of American labor from colonial times to the present is uniquely well suited to speak to the concerns of today s teachers and students As issues of growing inequality stagnating incomes declining unionization and exacerbated job insecurity have increasingly come to define working life over the last 20 years a new generation of students and teachers is beginning to seek to understand labor and its place and ponder seriously its future in American life Like its predecessors this ninth edition of our classic survey of American labor is designed to introduce readers to the subject in an engaging accessible way

Handbook of American Popular Culture: Propaganda-women: Propaganda M. Thomas Inge,1989 This handbook seeks to assemble in one place the basic bibliographical data needed to begin the study of most of the major areas of popular culture Each chapter provides a brief chronological survey of the development of the medium or topic a critical guide in essay form to the standard reference works bibliographies histories critical studies and journals a description of research centers and collections of primary and secondary materials and a bibliography of works cited in the text The revised edition includes new material and chapters on

topics such as business catalogs computers dance fashion gardening and graffiti ISBN 0 313 25406 0 set lib bdg 150 00 For use only in the library Labor's Story in the United States Philip Yale Nicholson,2004 In this the first broad historical overview of labor in the United States in twenty years Philip Nicholson examines anew the questions the villains the heroes and the issues of work in America Unlike recent books that have covered labor in the twentieth century Labor s Story in the United Stateslooks at the broad landscape of labor since before the Revolution In clear unpretentious language Philip Yale Nicholson considers American labor history from the perspective of institutions and people the rise of unions the struggles over slavery wages and child labor public and private responses to union organizing Throughout the book focuses on the integral relationship between the strength of labor and the growth of democracy painting a vivid picture of the strength of labor movements and how they helped make the United States what it is today Labor s Story in the United Stateswill become an indispensable source for scholars and students Author note Philip Yale Nicholsonis Professor of History at Nassau Community College and Adjunct Professor at the Cornell University School of Industrial and Labor Relations Long Island Extension He is the author ofWho Do We Think We Are Race and Nation in the Modern World **Library of Congress Catalog** Library of Congress,1960 A cumulative list of works represented by Library of Congress printed cards *Subject Catalog* Library of Congress,1976 Directory of American Scholars Jaques Cattell Press,Xerox Education Publications,1978
 The New Era and the New Deal, 1920-1940 ,1981
