Requiem For The Sudan J. Millard Burr, Robert O Collins, J Millard Burr, 2018-05-04 After a decade of uneasy peace the historic conflict between the North and South Sudanese erupted into violent conflict in 1983 This ferocious civil war with its Arab militias and widespread use of automatic weapons has devastated the populace In addition to the miseries of war drought and famine took a further toll on an already battered society although this regional calamity remains largely unknown to the outside world over 1 000 000 people have either perished or been displaced Furthermore the Sudanese government seemed little inclined to help its own people Requiem for the Sudan provides a chilling account of the ravages of drought and civil war graphically recounting how attempts by international agencies and humanitarian organizations to provide food and medical relief have been thwarted by bureaucratic infighting corruption greed and ineptitude Based on a wealth of previously unpublished documents Requiem for the Sudan clearly illustrates how the failure of conflict resolution organizational mismanagement and a government hostile toward its own people had tragic human consequences

*Requiem for a Soldier* Abhishek Amal Sanyal, In the shadow of the British Raj each of the million Indian soldiers in the First World War had a unique story that has echoed across the vastness of history This story is the saga of Kumar born to privilege in the Bengal Presidency but swept up in events much larger than himself When the horrors of the outlawed practice of Sati force him to confront his beliefs his journey into the world beyond begins From Calcutta's bustling streets to the distant shores of Ceylon and the battlefields of Verdun Kumar's path is never easy Love challenges him prejudice tests him and the weight of history pulls him in myriad directions With each step he finds himself surrounded by a vibrant ensemble of personalities from a passionate Irish soldier to a dedicated Scottish nurse and a driven Indian social activist As Kumar traverses lands and seas he wrestles not only with life's inherent dichotomies but with his own internal conflicts And when he finally returns home he is caught up in a whirlwind of political fervour and old rivalries Has Kumar's

journey moulded him into the man he needs to be or will the weight of his past decisions hold him back Dive into an epic tale of love war and the quest for self set against the backdrop of a world in turmoil      **Backlot Requiem** G. E. Nordell,2005-03 When a long buried corpse is unearthed at the National Pictures Studio in Los Angeles private investigator Rick Walker is called in to solve the thirty year old murder case The white haired chairman of the studio steps forward and commands everyone s attention The cheerful executives jockey for position and the photographers take a few casual practice shots The muslin cover is removed from the sign and flash bulbs pop as the studio chairman announces future construction on this site formerly Old Western Street of a state of the art film laboratory to be the biggest and most advanced in Hollywood The bystanders clap politely The ceremonial shovel is handed to the chairman and the photographers move around for better angles The chairman sinks the long handled shovel into the dark soft earth and flash bulbs pop again The studio president takes his turn with the shovel He is followed by a nervous dowager who struggles to lift a shovelful of earth from the deepening hole then dumps it next to the growing pile of dirt A large gray white object tumbles into the sunlight and the woman drops the shovel and screams The reporters and photographers scramble forward to record the sudden turn of events
