Rescuing Jeffrey A Memoir:

Rescuing Jeffrey Richard Galli,2001-11-06 A father writes of his determination in the days following his son's paralyzing accident to remove his quadriplegic son from life support Believe: A Memoir in Stories Christina H. Wilson,2024-07-09 A sickly child Christina spent a lot of time reading fairytales Never would she have imagined her real life would take on the qualities of a true Cinderella story At the age of twenty five Christina meets Jeffrey a Wall Street Titan Life becomes a whirlwind They were young they were in love and they were rich Life with Jeffrey a man who lived on his own terms was consuming and exciting until The morning of September 11 2000 at 6 a m when the phone rang the news on the other end of the call would change their lives forever It was not the beginning or the end of their story but a cataclysmic moment that joined the past to the present and to the future In this whirlwind of being can fairytales really live up to the harsh realities and tragedies of life Ultimately Christina's story is about self discovery unconditional love family and her deep belief that all that happens in life is for a reason Life Christina states is not something to regret It is something to experience Every experience is a step along the path to the full realization of who we are at our core and destined to be There should be neither judgment explanation nor expectation because life is just what it is a lesson in self discovery The Caregiver's Tale Ann Burack-Weiss,2006-03-14 Ann Burack Weiss explores a rich variety of published memoirs by authors who cared for ill or disabled family members Contrary to the common belief that caregiving is nothing more than a stressful situation to be endured memoirs describe a life transforming experience self discovery a reordering of one's priorities and a changed view of the world The Caregiver's Tale offers insight and comfort to individuals caring for a loved one and is a valuable resource for all health care professionals Identifying common themes Burack Weiss describes how the illness career and social meaning of cancer dementia HIV AIDS mental illness and chemical dependence affect the caregiving experience She applies the same method to an examination of family roles parents caring for ailing children couples and siblings caring for one another and adult children caring for aging parents Jamaica Kincaid Sue Miller Paul Monette Kenzaburo O and Philip Roth are among the many authors who share their caregiving stories Burack Weiss provides an annotated bibliography of the more than one hundred memoirs and an accompanying chart to help readers locate those of greatest interest to them

Signifying Bodies G. Thomas Couser,2009-10-22 Sheds new light on the memoir boom by asking Is the genre basically about disability **Unexpected** Alison Piepmeier,2021-02-23 What prenatal tests and down syndrome reveal about our reproductive choices When Alison Piepmeier scholar of feminism and disability studies and mother of Maybelle an eight year old girl with Down syndrome died of cancer in August 2016 she left behind an important unfinished manuscript about motherhood prenatal testing and disability In Unexpected George Estreich and Rachel Adams pick up where she left off honoring the important research of their friend and colleague as well as adding new perspectives to her work Based on interviews with parents of children with Down syndrome as well as women who terminated their pregnancies because their

fetus was identified as having the condition Unexpected paints an intimate nuanced picture of reproductive choice in today's world Piepmeier takes us inside her own daughter's life showing how Down syndrome is misunderstood stigmatized and condemned particularly in the context of prenatal testing At a time when medical technology is rapidly advancing Unexpected provides a much needed perspective on our complex and frequently troubling understanding of Down syndrome

Vulnerable Subjects G. Thomas Couser,2018-08-06 My primary concern is with the ethics of representing vulnerable subjects persons who are liable to exposure by someone with whom they are involved in an intimate or trust based relationship unable to represent themselves in writing or unable to offer meaningful consent to their representation by someone else Of primary importance is intimate life writing that done within families or couples close relationships or quasi professional relationships that involve trust rather than conventional biography which can be written by a stranger The closer the relationship between writer and subject the greater the vulnerability or dependency of the subject the higher the ethical stakes and the more urgent the need for ethical scrutiny from the Preface *Vulnerable Subjects* explores a range of life writing scenarios from the celebrity to the ethnographic and a number of life writing genres from parental memoir to literary case studies by Oliver Sacks G Thomas Couser addresses complex contemporary issues he investigates the role of disability in narratives of euthanasia and explores the implications of the Human Genome Project for life writing practices in any age when many regard DNA as a code that scripts lives and shapes identity Throughout his book is concerned with the ethical implications of the political and economic as well as the mimetic aspects of life writing
