The Oxford Handbook of Leader-Member Exchange Talya N. Bauer, Berrin Erdogan, 2015-08-14 Leader member exchange LMX is the foremost dyadic theory in the leadership literature Whereas contemporary leadership theories such as transformational servant or authentic leadership theories focus on the effects of leader behaviors on employee attitudes motivation and team outcomes relational leadership theory views the dyadic relationship quality between leaders and members as the key to understanding leader effects on members teams and organizations This approach views trust and respect based relationships as the cornerstone of leadership LMX has grown from a new theory in the 1970s to a mature area of research in 2015 Interest in this theory has increased rapidly over the past four decades and the pace of research in this area continues to accelerate dramatically The Oxford Handbook of Leader Member Exchange takes stock of the literature to examine its roots what is currently known what research gaps may exist and what areas are in need of the most urgent research

Transformational Creativity Robert J. Sternberg, Sareh Karami, 2024-03-19 This edited volume brings together leading scholars in diverse disciplines to share their best thinking on how creativity can be conceived of taught for and

deployed to serve rather than undermine humanity Transformational creativity as defined in this book is creativity deployed to make a positive meaningful and potentially enduring difference to the world Transformational creativity is compared to transactional creativity which is creativity deployed in search of a reward whether externally or internally generated Chapter 12 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com
