Researching Educational Governance: Realizing UN 2030 Agenda and Beyond H.C. Pokhriyal, B.S.

Nagi, M.C. Sati, Padmakar Mishra, R.P. Juyal and A.S. Khullar, 2023-01-01 Achieving the lofty Goal 4 of the UNSDGs which aims to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all will require the entire education system to be reconfigured a fact as aptly underlined in the National Education Policy 2020 of India This would essentially entail putting in place a very effective educational governance devised and formulated on the basis of cutting edge research outputs Three Volumes of the present book is a modest yet maiden attempt to comprehend and unfold the blending of diverse research methodologies and amply demonstrate through empirical findings that innovative policies and interventions curated on the basis of this approach of research can ensure quality education Governance emerges as one of the core areas for research Therefore Volume I provides a wide canvas of governance in general and educational

governance in particular for research along with a unique opportunity to elaborate both the theory and practice of Quantitative Qualitative and Participatory Methodologies in researching governance that is the frontier challenge looking for suitable answers Volume II uniquely comprehends multiple aspects of quality in dynamic and wider perspectives as perceived by the primary stakeholders including community Refreshing insight into the quality perspectives of educational governance will facilitate the researchers to explore innovative interventions in respective areas of human development Community is the third constituent of governance along with the state and the market Therefore Volume III explores a futuristic vision of community governance leading to quality education Also an attempt has been made to critically appraise the provisioning of community governance including the local self governments as well as free and compulsory elementary education The Book is a live comprehension of the conceptual framework of research and methods along with handling of research problems at the ground It is like explaining how to by giving suitable case studies conducted by the authors on educational governance It is hoped that the three Volumes will be an exciting learning experience that would enable us to address researching challenges over which the public policy makers researchers development administrators planners and students may build their concepts logical structures and planned interventions facilitating the achievement of effective educational governance at micro level ensuring quality education in the coming decades *Innovation Beyond Technology* Sébastien

Lechevalier,2019-08-02 The major purpose of this book is to clarify the importance of non technological factors in innovation to cope with contemporary complex societal issues while critically reconsidering the relations between science technology innovation STI and society For a few decades now innovation mainly derived from technological advancement has been considered a driving force of economic and societal development and prosperity With that in mind the following questions are dealt with in this book What are the non technological sources of innovation What can the progress of STI bring to humankind What roles will society be expected to play in the new model of innovation The authors argue that the majority of so called technological innovations are actually socio technical innovations requiring huge resources for financing activities adapting regulations designing adequate policy frames and shaping new uses and new users while having the appropriate interaction with society This book gathers multi and trans disciplinary approaches in innovation that go beyond technology and take into account the inter relations with social and human phenomena Illustrated by carefully chosen examples and based on broad and well informed analyses it is highly recommended to readers who seek an in depth and up to date integrated overview of innovation in its non technological dimensions **Beyond Method** Gareth Morgan,1983-05 Research

is often seen as a neutral technical process through which researchers simply reveal or discover knowledge A broader and more self reflective stance is advocated in Beyond Method one in which a knowledge of technique needs to be complemented by an appreciation of the nature of research as a distinctively human process through which researchers make knowledge Such an appreciation requires a reframing of understanding and debate about research in a way that goes beyond

considerations of method alone **Looking beyond Words** ,2024-06-11 In today s digital age visual representation plays a significant role in shaping our world This book explores the topic of visual research methods and their relevance to education It highlights the use of visual media such as images and videos to enhance our understanding of complex concepts and phenomena By integrating visual research into education we can gain a comprehensive understanding of abstract ideas leading to better retention and application of knowledge Additionally visual research methods provide multiple perspectives on social phenomena motivating us to initiate social change The book features contributions from scholars worldwide who discuss various methodological perspectives and applications of visual research in education Topics include visual inquiry methodology techniques for analyzing visual data and the use of photovoice Each chapter reviews the literature on a specific visual method addresses methodological challenges strengths and limitations and explores its contributions to education research Overall this book offers valuable insights into the power and potential of visual research methods in education providing a platform for scholars to share their expertise and promote the use of visual methods in educational research Contributors are Hendrik Zoltan Andermann Chang Cai Yanli Cao Helen Hanna Qing Huang Wei Jin Guanyu Li Ning Luo Patrica A L Ong Miao Pei Hing Kwant To Kwok Kuen Tsang Ting Wang Zeyu Wang Ziaoyu Wang E Jayne White Rui Xiong Boris Zizek and Zhaolin Zhou **Patients Beyond Borders** Josef Woodman,2009-07-01 Patients Beyond Borders is the first comprehensive easy to understand guide to medical tourism written by the world s leading spokesperson on international health travel Impartial extensively researched and filled with authoritative and accessible advice carefully culled from hundreds of resources in the US and abroad Patients Beyond Borders lists the 30 top medical travel destinations where patients can choose from hundreds of hospitals and save 30 80% on medical procedures ranging from a comprehensive health check up to heart work orthopedics dental and cosmetic surgery in vitro fertilization and more The revised and expanded Second Edition carries 40 new hospitals and 8 new destinations including Israel Jordan Korea New Zealand Panama the Philippines Taiwan and Turkey In addition to never before published information on continued care post procedure how to handle malpractice abroad finding the best health travel agent A handy Treatment Index allows readers to easily match their medical condition to the best clinics *Beyond the Masks* Amina Mama,1995 Account of black subjectivity Participatory action research in a time of COVID and beyond Georgina McAllister,Sandra Bhatasara,Priscilla Claeys,Jo Howard,Stefanie Lemke,Katharine McKinnon,Nina Isabella Moeller,2023-05-29 **Navigating Your International Doctoral Experience (and Beyond)** Dely Lazarte Elliot,2023-07-07 Focused on understanding the journey of international doctoral and early career scholars this key book provides insight and guidance for those whose country of origin differs from where they have chosen to pursue a doctorate Drawing on the experiences of PhD students it harnesses invaluable insights to support a deepening appreciation of a chosen subject of study manage research and make the most of what intercultural interactions can offer within a doctoral experience Each carefully considered part uses research informed
