Lesson 1: DEFINITION AND CHARACTERISTICS OF PROGRAM PLAN

All agencies, organizations, councils or local government units are organized and established because they have goals to achieved. These goals are achieved through development of realistic and doable plans and programs which answer the problems and needs of their constituents. These groups/ organizations or agencies are operating based on legal bases as mandated by law or their constitution and by-laws.

It is imperative that initiators, program planners and implementers must have a functional and practical knowledge on program development for them to become effective, efficient and productive catalysts of change.

Plan - A plan reflects what the individual/group/organization would like to do and achieve at a given period of time.

Technically, a plan is a written document covering specific period of time, that contains the organization's agency's vision, mission, goals, program thrusts, projects

Research Techniques For Program Planning Monitoring And Evaluation:

Research Techniques for Program Planning, Monitoring, and Evaluation Irwin Epstein, Tony Tripodi, 1977-01 Each section program planning monitoring and evaluation begins with a description of the administrative function to which it is devoted followed by a set of selected research techniques each illustrated with a hypothetical case and an exercise for the reader in applying the technique Journal of Human Services Abstracts ,1978 **The Project Share Collection, 1976-1979** Project Share, 1979 Criminal Justice Planning and Management Series ,1981 **Criminal justice planning course** United States. Law Enforcement Assistance Administration, 1981 **Criminal Justice Planning and Management Series: Criminal justice planning course (3 pts)** United States. Law Enforcement Assistance Administration, 1981 **Readings in Rehabilitation Administration** T.F. Riggart, J.R. Lorenz, 1985-01-01 Readings in Rehabilitation Administration fills the gap in the training of human service administrators and managers The selections reflect the growing needs trends and new requirements that directly affect the human services at both the national and local levels This text meets the needs of those innovative educators who are responsive to the needs of students the human resource field and the disabled While practitioners are well trained in their field many have little or no education or training for the management roles they assume Readings in Rehabilitation Administration provides for the first time a curriculum content to prepare new administrators The articles included cover a wide range of not only current trends but classic topics which have passed the test of time An extensive bibliography categorizes rehabilitation administration management articles published during the past decade **Social Work Education Bibliography** ,1983 **Evaluative Research in Local Youth Programming** David Stallings, 1980 **Criminal Justice Planning and Management Series: Criminal justice analysis course (3 pts)** United States. Law Enforcement Assistance Administration, 1981 **Criminal Justice Analysis Course** ,1981 **The Project Share Collection** ,1976 Cumulates abstracts which appeared in Journal of human services abstracts **The Routledge Handbook of Social Work Practice Research** Lynette Joubert, Martin Webber, 2020-04-13 The Routledge Handbook of Social Work Practice Research is the first international handbook to focus on practice research for social work Bringing together leading scholars in the field from Europe the USA and the Asia Pacific region it provides an up to the minute overview of the latest thinking in practice research whilst also providing practical advice on how to undertake practice research in the field It is divided into five sections State of the art Methodologies Pedagogies Applications Expanding the frontiers The range of topics discussed will enhance student development as well as increase the capacity of practitioners to conduct research develop coordinating and leadership roles and liaise with multiple stakeholders who will strengthen the context base for practice research As such this handbook will be essential reading for all social work students practitioners and academics as well as those working in other health and social care settings Criminal justice analysis United States. Law Enforcement Assistance Administration, 1981 *DHHS Publication No. (OHDS).* ,1980 **Evaluation**

for the Real World Palfrey, Colin, Thomas, Paul, 2012-06-13 Evaluation research findings should be a key element of the policy making process yet in reality they are often disregarded This valuable book examines the development of evaluation and its impact on public policy by analysing evaluation frameworks and criteria which are available when evaluating public policies and services It further examines the nature of evidence and its use and non use by decision makers and assesses the work of influential academics in the USA and UK in the context of evaluation and policy making The book emphasises the real world of decision makers in the public sector and recognises how political demands and economic pressures can affect the decisions of those who commission evaluation research while providing recommendations for policymakers on adopting a different approach to evaluation This is essential reading for under graduate and post graduate students of policy analysis and public sector management and those who are involved in the planning and evaluation of public policies and services

Youth Knowledge Development Report ,1980 **Clinical Data-Mining** Irwin Epstein, 2009-11-02 Clinical Data Mining CDM involves the conceptualization extraction analysis and interpretation of available clinical data for practice knowledge building clinical decision making and practitioner reflection Depending upon the type of data mined CDM can be qualitative or quantitative it is generally retrospective but may be meaningfully combined with original data collection Any research method that relies on the contents of case records or information systems data inevitably has limitations but with proper safeguards these can be minimized Among CDM s strengths however are that it is unobtrusive inexpensive presents little risk to research subjects and is ethically compatible with practitioner value commitments When conducted by practitioners CDM yields conceptual as well as data driven insight into their own practice and program generated questions This pocket guide from a seasoned practice based researcher covers all the basics of conducting practitioner initiated CDM studies or CDM doctoral dissertations drawing extensively on published CDM studies and completed CDM dissertations from multiple social work settings in the United States Australia Israel Hong Kong and the United Kingdom In addition it describes consulting principles for researchers interested in forging collaborative university agency CDM partnerships making it a practical tool for novice practitioner researchers and veteran academic researchers alike As such this book is an exceptional guide both for professionals conducting practice based research as well as for social work faculty seeking an evidence informed approach to practice research integration **State Child Welfare Program** ,1979 **SNI Documents** National Criminal Justice Reference Service (U.S.),1978
