Wim Coleman, Pat Perrin

Retold Jack London Retold Classics Anthologies:

Retold Jack London Wim Coleman, Pat Perrin, 2001 Presents adaptations of eight stories by Jack London **Tales of Jack London** Jack London, 1999 Offers young readers a look at four stories of adventure and survival from the works of Jack London The Publishers Weekly, 1899 **Retelling Stories, Framing Culture** John Stephens, Robyn McCallum, 2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to *Wind in the Willows* The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings Index included *Chillers* Wim Coleman, Pat Perrin, 1996-09 Contains adaptations of eight classic short horror stories originally written by well known authors *12 Classic Books You Need to Read Before You Grow up.
