Revival We Need:

The Revival We Need Oswald Smith, 2015-06-06 Five years ago there came into my life a spiritual experience that revolutionized my work and resulted in a Ministry characterized by some of the manifestations that usually accompany Revivals It was in this atmosphere that these messages were born and while the writing of them has occupied the five intervening years they but breathe the spirit that then prevailed May God through them reveal to His servants the shallowness apparent in so much of our Modern Evangelism and turn them to that deep and abiding work of the Holy Spirit which will alone stand the test of divine fire Oswald J Smith Toronto 1922 **The Revival We Need** Oswald J. Smith, 2012-02-20 The Revival We Need for its size is the most powerful plea for revival one can read *It's Revival We Need* Charles William Fisher, 1983 **The Need for a New Revival** Witness Lee, 2015-05-30 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Memorial Day weekend conference held in St Louis Missouri May 22 25 2015 The general subject of the conference was The Need for a New Revival Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **It's Revival We Need!** Charles William Fisher, 1966 Revivals. How and When? William Wells Newell, 2025-07-12 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Why Is There No Lasting Revival** Bill Vincent, 2023-02-05 God said to me Why is there no lasting revival Most revivals don't last long They start up Sometimes it takes a while to start them up But sometimes they start up and then they fizzle out Five years is a very long revival I've been in a revival where it's been two years I've been in a revival that was only six months And you got to understand whatever the timetable is there are different levels of revival But why isn't there any long lasting revival and I got some things that I'm going to get into here but I'm going to be jumping around But I really believe that we have gotten to be in a delusion in the church People don't even know what they're asking for when they ask for revival they want revival to come They want God to move in the church But then when God begins to shift and begin to try to do it they're like oh I don't want that Let me tell you something you cannot say what the revival is going to be You can't choose the revival You can't even choose the people that are going to come to it Come on we would like to choose And it's you say all that what's wrong with that There's something wrong with that But you got to understand I couldn't have a choice God's that kind of God sometimes he'll bring some of those people And they'll come and they'll plop it down in the seat And they'll have the stirring like they never left And I'm telling you there's a lot of things that are happening but we have been delusional for so long And there are some things that are about to happen because we want the stirring of revival but we don't want the change Let me tell you some revival is going to come and it's

going to change everything It s gonna change the way you even look at church Revivals: how and When? William Whiting Newell,1882 Longing for Revival James Choung,Ryan Pfeiffer,2020-01-14 Revival begins with God but it s lived out through us James Choung and Ryan Pfeiffer have seen revival in their own ministries with remarkable transformation in both individuals and communities They unpack what revival looks like how Christians can anticipate it and how they can experience it providing a model of revival leadership for Christians who want to facilitate and spread revival in their contexts
