*History of the Russian Revolution: Volume 1* Leon Trotsky, 2022-11-30 The Russian Revolution of 1917 can be regarded as the greatest event in human history For the first time millions of workers and peasants took political power into their own hands sweeping aside the despotic rule of the capitalists and landlords and setting out to create a socialist world order based upon the rule of the Soviet of Workers Soldiers and Peasants Deputies Capitalism had broken at its weakest link The Russian Revolution heralded the beginning of the world revolution inspiring the hopes and dreams of millions Notwithstanding the terrible backwardness of Russia the new Socialist Soviet Republic represented a decisive threat to the world capitalist order It struck terror in the ruling classes everywhere which rightly regarded it as a threat to their power and privileges Leon Trotsky History of these events is a masterpiece It was the first time that a scientific history of a great event has been written by a man who played a dominant part in it Together with Lenin he led the Bolshevik Revolution and lived throughout its stormy events However this book is not simply a dramatic narrative but a profound analysis of the inner forces of the Revolution It remains by far the best account of the Russian Revolution today This volume spans from the February

 the Bolsheviks staged a hostile takeover of the Russian Imperial Army promoting mutinies and mass desertions of men in  
 order to fulfill Lenin's program of turning the imperialist war into civil war By the time the Bolsheviks had snuffed out the  
 last resistance five years later over 20 million people had died and the Russian economy had collapsed so completely that  
 Communism had to be temporarily abandoned Still Bolshevik rule was secure owing to the new regime's monopoly on force  
 enabled by illicit arms deals signed with capitalist neighbors such as Germany and Sweden who sought to benefit politically  
 and economically from the revolutionary chaos in Russia Drawing on scores of previously untapped files from Russian  
 archives and a range of other repositories in Europe Turkey and the United States McMeekin delivers exciting
