Secret Anniversaries of the Heart Lev

Raphael, 2006. When Lev Raphael published the controversial story collection *Dancing on Tisha B'Av*, he broke new ground in contemporary literature. Never before in one collection had an American writer revealed the conflicts between homosexuality and traditional Judaism, linked the chilling mind diseases of anti-Semitism and homophobia, and offered testimony not only to the legacy of Holocaust survivors but the suffering and conflicts of their children. Winner of the prestigious Lambda Literary Award, Raphael widened the scope of American Jewish fiction for a new generation. *Secret Anniversaries of the Heart* unites the most compelling tales from *Dancing on Tisha B'Av* with twelve new stories appearing in book form for the first time, and the title story, never before published. Emotionally complex, edgy, and daringly intimate, here is a collection of twenty-five years of stories that wrestle with questions of religious and sexual identity while displaying the gifts of a visionary writer in mid-career. Book jacket.

Books in the Life of a Child Maurice Saxby, 1997-10-15

Books in the Life of a Child explores the value of books and reading in the stimulation of children's imagination and their fundamental importance in the development of language and true literacy. It examines not only the vast range of children's books available but also how to introduce young people to the joys of reading in the home, the school, and in the community. The book has been written as a resource for all adults, especially teachers, student teachers, librarians, and parents, and those who care about the value of literature for children. It is a comprehensive and critical guide with chapters on the history of children's literature and an analysis of its many forms and genres, from poetry, fairytale, myth, legend, and fantasy through realistic and historical fiction to humour, pulp fiction, and information books.
