The Lonely Scum Thinks Alone Jacob Tobias, 2013-10-23 23 lyrics poems written by Jacob Tobias during 1999 whilst being subjected to homophobic bullying at school What Every 18 Yr. Old Needs To Know Paul from White Lake, 2008-11-03 Why is there so much bipartisan bickering Why are some folks so darned adamant about their political viewpoints Should we all actually develop a political belief system But who really gives a hoot about politics anyways Have the schools of this USofA adequately prepared our 18 year olds for one of the important privileges that they can now engage namely to vote And even after 18 years old how and when does each of us actually become EXPERT at selecting our politicians How can any one person know who to vote for and does it really make any difference which way we vote They say that if I don t vote then I have no right to complain about who we get in our government But that doesn t make any sense or is it just me Some say that the MEDIA is biased but how can that be They just report the news don't they Why won tour government just do more to FIX things and to HELP people What SHOULD our government REALLY do to help us solve our problems I ve even heard people talk about dark and strange conspiracy theories about people who are so super rich and powerful who plan things in secret and that THEY are the REAL people in control in this world playing us as if we re all just tokens on a game board Secret Lives of the Underground Railroad in New York City Don Papson, Tom Calarco, 2015-01-28 During the fourteen years Sydney Howard Gay edited the American Anti Slavery Society s National Anti Slavery Standard in New York City he worked with some of the most important Underground agents in the eastern United States including

Thomas Garrett William Still and James Miller McKim Gay's closest associate was Louis Napoleon a free black man who played a major role in the James Kirk and Lemmon cases For more than two years Gay kept a record of the fugitives he and Napoleon aided These never before published records are annotated in this book Revealing how Gay was drawn into the bitter division between Frederick Douglass and William Lloyd Garrison the work exposes the private opinions that divided abolitionists It describes the network of black and white men and women who were vital links in the extensive Underground Railroad conclusively confirming a daily reality The Secret War Between Downloading and Uploading Peter Lunenfeld, 2011-04-22 As we hurtle into the twenty first century will we be passive downloaders of content or active uploaders of meaning The computer writes Peter Lunenfeld is the twenty first century s culture machine It is a dream device serving as the mode of production the means of distribution and the site of reception We haven t guite achieved the flying cars and robot butlers of futurist fantasies but we do have a machine that can function as a typewriter and a printing press a paintbrush and a gallery a piano and a radio the mail as well as the mail carier But warns Lunenfeld we should temper our celebration with caution we are engaged in a secret war between downloading and uploading between passive consumption and active creation and the outcome will shape our collective futures In The Secret War Between Downloading and Uploading Lunenfeld makes his case for using digital technologies to shift us from a consumption to a production model He describes television as the the high fructose corn syrup of the imagination and worries that it can cause cultural diabetes prescribes mindful downloading meaningful uploading and info triage as cures and offers tips for crafting bespoke futures in what he terms the era of Web n 0 interconnectivity to the nth power He also offers a stand alone genealogy of digital visionaries distilling a history of the culture machine that runs from the Patriarchs Vannevar Bush s WWII generation to the Hustlers Bill Gates and Steve Jobs to the Searchers Larry Page and Sergey Brin of Google fame After half a century of television conditioned consumption downloading Lunenfeld tells us we now find ourselves with a vast new infrastructure for uploading We simply need to find the will to make the best of it **The Jesus Phenomenon** Greg Rigby, 2016-03-18 The Jesus Phenomenon examines the likely possibilities for the existence of the person who became known as Jesus Christ The book looks at his most likely ancestry the link with David and why that might have been important the bloodline that led to his conception the implications after his death and the possibility that there are direct descendants The author examines the evidence and investigates the various possibilities for a credible and realistic basis of the Jesus Christ story and the claim that Jesus was the Son of God This insightful book proposes a radical new hypothesis that fits all the facts as we know them and eliminates many of the conventions at the heart of Christian teaching **The Truth About Lying Victoria** Talwar, 2022-06-28 All children lie But when your child lies to you it can feel like a personal betrayal Backed by years of psychological research this common sense practical guide reveals which parenting strategies promote truthfulness in children and which ones don t National Parenting Product Award Winner 2023 Lying is a healthy and inevitable part of child

development But when do lies become a problem In this book psychologist Victoria Talwar Director of the Talwar Child Development Lab at McGill University presents practical science based strategies to address lying and foster truthfulness in children from early childhood to the teenage years Kids need to learn what honesty looks like in different social situations and also how to tell the truth in ways that do not hurt others feelings a complicated task Parents and caregivers will learn how to use stories and examples to have proactive conversations with children about honesty and how to model honest behavior for children Talwar shows readers how to respond effectively when a child lies as they inevitably will Backed by years of psychological research this common sense practical guide reveals which parenting strategies promote truthfulness in children and which ones don t
