Security Or Armageddon Louis René Beres,1986 **Israel's Nuclear Dilemma (Routledge Revivals)** Yair

Evron,2014-06-03 Originally published in 1994 Yair Evron opens the book with an account of the development of Israel's nuclear doctrine and the internal disagreements within the Israeli political and strategic elite over how nuclear policy should be conducted There follows an analysis of the reactions from Arab states and of how with the exception of Iraq they have so far refrained from developing their own nuclear weapons *Israel's National Security Predicament* David

Rodman,2023-09-29 This book provides a ground breaking assessment of the Israeli national security experience from the establishment of the country through to the present day Seventy five years after its establishment the State of Israel continues to face an acute national security predicament as a result of the still unresolved Arab Israeli conflict This monograph offers a new framework for analyzing this experience first exploring the crucial events of the past and present that define it including interstate wars asymmetrical wars low intensity conflicts and developments in weapons of mass destruction The book then probes how Israel's evolving national security doctrine has addressed these various challenges over the years highlighting the roles of a number of variables deterrence warning and decision strategic depth and defensible borders the quality and quantity of fighting men and machines intelligence self reliance in military matters foreign policy and the influence of ethnic demography societal resilience economic prosperity and water security Written in accessible non technical language the book will appeal to general readers seeking an introduction to Israeli security as well as to specialists and researchers in various fields including Israeli history Middle Eastern politics and security studies Israel's Nuclear

Dilemma Yair Evron,2005-07-28 The development of Israel's nuclear capacity controversy within the military elite implications for Arab Israeli relations and arms control in the region Rabin and Israel's National Security Efraim

Inbar,1999-06-17 For more than forty years Yitzhak Rabin played a critical role in shaping Israeli national security policy and military doctrine He began as a soldier in the Palmach the elite underground unit of the Jewish community in Palestine served in the 1948 War of Independence and ultimately became chief of staff of the Israel Defense Force IDF defense minister in several governments ambassador to the United States and twice prime minister As chief of staff Rabin led the IDF to its triumph in the 1967 Six Day War He was assassinated in 1995 as prime minister as he left a peace rally Drawing on unpublished materials and interviews with important sources including Rabin himself Efraim Inbar's work offers a systematic study of Rabin's strategic thinking and his policies Topics include the evolution of Rabin's thinking his contributions to IDF military buildup his stress on Israel's relationship to the United States his attitudes toward the use of force and his approach to Israel's nuclear status in the Middle East Inbar's conclusion evaluates Rabin's contribution to Israel's national security and assesses Rabin's personal transition from warrior to peace maker Because of Rabin's crucial role in Israel's defense establishment at important junctures in its history this book provides an important view into the security challenges Israel

has faced and how the country has responded over four decades **Strategic Review** ,1990 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States **Israeli National Security** Charles David Freilich,2018 The most comprehensive study to date of Israel s national security It combines an exhaustive analysis of the military diplomatic demographic and societal challenges Israel faces with the responses it has developed to present a detailed proposal for an overall new national security strategy the first such Israeli strategy ever published **Israel's National Security** Efraim Inbar,2007-12-21 This volume presents a comprehensive analysis of Israel s security challenges since the 1973 October War Efraim Inbar takes the reader on a historical journey through Israel s relations in the Middle East that begins with an analysis of Israel s strategic thinking after 1973 and ends with an important look at the recent Second Lebanese War and the Iranian nuclear challenge Israel s National Security delves not only into Israel s responses but also its relationships in the international community providing a complete picture of how Israel s strategic environment has evolved over time Relevant to today s current political atmosphere the volume dissects the influences of the growing appeal of Islamic extremism on the peace process Israel strategic partnerships with India and Turkey and Israel s relations with the Palestinians Biological Warfare and Disarmament Susan Wright,2002 This book proposes fresh approaches and concrete proposals to overcome one of the most intractable security problems of the twenty first century Visit our website for sample chapters **Israeli Secret Services** Frank Clements,2017-07-05 The Israeli Institute for Intelligence and Special Services the Mossad is pobably the best known of the world s intelligence services one of the most sespected and certainly one of the most intriguing However despite its fame the available literature other than Hebrew is limited and scattered amongst a variety of subject areas because the tentacles of the Mossad are similarly varied The aim of this volume is to document the range of English language material available on f Mossad from its pre official origins in Europe during the Second World War to e present period of the Middle East peace process The organization had its origins in the aftermath of the Holocaust being the agency responsible for organizing the illegal Jewish immigration into Palestine before becoming officially constituted in 1951 Since its formation the Mossad has been intimately involved in each of the significant events in Israel s history including actions against its Arab neighbors the hunting of wanted Nazis spectacular actions such as the raid on Entebbe to free the hostages counter terrorist activities and high technology espionage against friend and foe alike This bibliography will be of interest to researchers covering intelligence activities and to students scholars and librarians interested in the history of Israel and its relations with its Arab neighbors The early material on the Mossad will also be of special concern to students of the Holocaust and its aftermath

Pierre,1997-11-01 With the post cold war emphasis on the proliferation of weapons of mass destruction the neglected dimension has been the spread of advanced conventional arms Yet these are the arms most likely to be used in conflict They present the greatest diversion from economic and social development and are the centerpiece of regional security balances This book examines the policies and practices of the major arms supplying nations looks at the impact of weapons purchases on the principal recipient regions and the possibilities for regional arms control and dissects the economics of arms exports for the producer nations in both the developing and industrialized worlds The book thoroughly discusses the opportunities for and obstacles to achieving multilateral restraint on arms In addition to the editor contributors are Ian Anthony Stockholm International Peace Research Institute Nicole Ball Overseas Development Council Julian Cooper University of Birmingham Lawrence Freedman and Martin Navias King s College London Rodney Jones Policy Architects International Ethan Kapstein University of Minnesota Michael Klare Five College Program in Peace and World Security Studies Andrew Mack Australian National University Abdel Monem Said Aly Center for Political and Strategic Studies Cairo Janne Nolan Brookings Institution Andrew Ross Naval War College Gerald Segal International Institute for Strategic Studies and Gerald Steinberg Bar Ilan University Israel Copublished with the World Peace Foundation **Holy War** David S. New,2015-10-03 Temple Mount is believed by some Jews to be the locus of their ancient Temple Known to Muslims as Haram al Sharif the Noble Sanctuary this site is home to two mosques one of which is the third most holy shrine in all of Islam Jewish fundamentalists want to destroy the mosques on Temple Mount and rebuild the Temple Christian apocalypticists are financing and supporting their efforts If the mosques are destroyed Islamic fundamentalists have vowed to destroy Israel resulting in the possibility of nuclear war This book addresses the idea that the recent rise of militant

Christian Jewish and Muslim fundamentalisms and their interaction are endangering peace in the Middle East It fully examines the thesis that apocalypticist fundamentalists Christians in America Jews in Israel and America are working together to hasten the coming of the Messiah by instigating a Holy War in the Middle East Several chapters focus on three U S political figures Jerry Falwell Ronald Reagan and Pat Robertson who helped bring Christian fundamentalism into the mainstream of American politics One chapter tells of Jewish preparations for rebuilding the Temple on Temple Mount Other chapters document the rise of religious fundamentalism in Israel since 1967 Haram al Sharif Temple Mount crises involving Christian Jewish cooperation and the rise of Islamic fundamentalism Separate chapters are devoted to Israel s nuclear program and political psychology and the fact that nuclear weapons are leaving Russia and finding their way to Islamic nations and Islamic terrorists The Heart of War Gwyn Prins,2003-08-29 Written by one of the most highly regarded experts on global security this is a controversial look at the changing face of war and the role of the military in the twenty first century *The Middle East* ,1989
