

The background of the cover is a painting of a winter landscape. A large, dark, gnarled tree stands in the center, its branches reaching out. The ground is covered in snow, with patches of brown earth visible. In the background, there are rolling hills and a small cluster of buildings. The overall color palette is muted, with blues, greys, and earthy tones.

Seed Beneath The Snow:

Anarchist Seeds Beneath the Snow David Goodway, 2006-10-01 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and John Cowper Powys to the war in Iraq this challenging volume will energize leftist movements throughout Britain and the rest of the world *The Seed Beneath the Snow* Ignazio Silone, 1942 **Ignazio Silone** Maria Nicolai Paynter, 2000-01-01 Throughout his life the internationally known novelist short story writer and journalist Ignazio Silone 1900 1978 struggled indomitably for social justice In this book Maria Nicolai Paynter discusses the many controversial issues surrounding Silone and his writing analysing in detail his intellectual and political convictions and assesses the artistic achievement and stylistic development in his works Paynter argues that a profound authenticity is at the core of Silone s writing and that his tragic vision emanates from a concept of heroism based not on pride and self serving defiance but rather on moral courage and integrity Northrop Frye s archetypal criticism and his concept of ironic myth provide the theoretical framework through which Paynter guides the reader to an understanding of Silone s particular brand of realism and his unique message Ignazio Silone *Beyond the Tragic Vision* is a new expanded version in English of an earlier Italian language book which won the Premio Internazionale Letterario Ignazio Silone It is the first comprehensive book in English on Silone s life his writings and their critical reception **The Seed Beneath the Snow, Trans. from the Italian** Ignazio Silone, **A Seed Beneath the Snow** Wendell B.
