THE CHALLENGE In February 2009 Attorney General Eric Holder called America a nation of cowards His reason was that we don't have the guts to be honest with each other about racial issues The lack of honesty that he bluntly implied is obvious Its cause however is not a lack of courage but enforcement of deceptive tactics that undermine freedom of speech In reality his words gave this nation a challenge Will we meet it For over forty years every major cultural movement of the last century successfully achieved its goal through victimization oppression and white privilege principles These deceptive tools developed entitlement thinking that separated people from common sense and goodness The more people separated from goodness the more evil surfaced Disguised as a right and freedom evil began silencing America Many people deny it and the dangers of Marxism Others are euphoric about the transformation Oppression education is doing its job the destruction of so called white values and America White privilege and the wheel of oppression fool those in class attendance They promise people release from make believe oppression while injecting them with it The result is a dangerous epidemic of oppression isms most useful for change Attorney General Eric Holder stated that America needed open racial discussion We will accept the challenge The content within is forthright and bold in presentation Chapter questions are included for private use institutes of learning education conferences and church groups to develop boldness in speaking the truth We must STOP the biggest Hoax of the Century White Privilege and The Wheel of Oppression for the survival of America      *Seeds of Deception* Georgiana Preskar,2004-06 Greg Morrow quits his job as a stockbroker to tour the U S and live life as it presents itself He's forty two years of age with above average looks He makes a pit stop at the Bagdad Cafe which is located on Route 66 in the small desert town of Newberry Springs California While there he meets Bonnie Hensley the first woman that he's attracted too since his divorce of one year ago and they begin dating Bonnie makes her home there and portrays herself as being a sweet loving woman and Greg falls madly in love with her He's unaware that she had stolen a large sum of money from her ex husband who is presently serving a two year prison term Her ex husband promised to track her down and kill her upon his release if she ran off with the money She had moved to Newberry Springs in hopes he wouldn't find her Upon returning home from a date they find Bonnie's house had been ransacked She realizes that her ex husband had tracked her down and was searching for the money She informs Greg about the money and the threat her ex husband had made Taking advantage of Greg's love Bonnie talks him in to helping her get away taking the money with them Greg realizes that he's putting his life on the line but his deep love for her overrides his fear of death The money was also an incentive in his decision to help her They take off across country in his SUV doing everything possible to throw her ex husband off their trail but somehow he manages to keep tracking them down She asks Greg to help her come up with a plan to permanently stop her ex husband from following them insisting it would be self defense It's a request that he would rather not have to fulfill but his love for
