Jarvis, E. Elizabeth Johnson, 2013-01-01 Feasting on the Gospels is a new seven volume series that follows up on the success of the Feasting on the Word series to provide another unique preaching resource this time on the most prominent and preached upon New Testament books the four Gospels With contributions from a diverse and respected group of scholars and pastors Feasting on the Gospels will include completely new material that covers every single passage in the New Testament Gospels making it suitable for both lectionary and non lectionary use Moreover these volumes will incorporate the unique format of Feasting on the Word with four perspectives for preachers to choose from for each Gospel passage theological pastoral exegetical and homiletical Feasting on the Gospels will provide a special resource for all who preach either continuously or occasionally on the Gospels Reluctant Prophets and Clueless Disciples Robert Darden, 2005-02-01 It was once said that all a person has to do to realize God has a very good sense of humor is to look at a platypus The same sentiment applies to the Bible The Bible often seems like foreign territory not only for students encountering it in introductory classes but also for those who have spent many years in church To many people it is an intimidating collection of rules lists and theological arguments But in reality most of the Bible is made up of fascinating stories Sometimes they're funny sometimes they're weird sometimes they're inspiring but they're never dull This college level introduction invites students into biblical studies through creative humorous retellings and a few cartoons here and there of the basic biblical narratives The best way to get into the Bible says Robert F Darden is to get to know its stories In this new approach to introducing the Bible to students Darden covers the major biblical stories and characters retelling them in such a way as to bring out their original humor and pathos and inviting the student to encounter them more fully by moving into the text itself Click here to listen to Terri Gross's interview with Robert Darden on NPR's Fresh Air about the Black Gospel Music Restoration Project Darden runs the project at Baylor University where he is a journalism professor The purpose of the project is to identify acquire preserve record and catalogue the most at risk music from the black gospel

Wandering, Not Lost Barry L. Casey, 2019-11-01 A spiritual journey may take many forms from Dante's descent to the pits of Hell and up the other side to the bliss of Paradise to Pilgrim's progress or even to Billy Pilgrim unstuck in time in Vonnegut's Slaughterhouse Five It could be Elijah running headlong into the desert or Jonah being flung ashore and shouting in Nineveh a petulant prophet to the end Faith can be carried like pennies in the pocket or worn like a coat of many colors Abraham and Moses Mary and Peter all of them carried their faith and all of them had their doubts Doubt is the companion of faith and the mystery that bonds them together comes out in stories These are stories of faith doubt and mystery Not all who wander are lost Living Water Robert P. Vande Kappelle, 2022-10-27 Everyone loves a good story one with interesting characters an intriguing plot lots of twists and turns and a surprise ending Jesus was a master storyteller teaching primarily through a technique we call parables In fact over one third of the gospel material in the New Testament is parabolic in nature Examining the parables of Jesus Living Water views parables as a wisdom genre belonging to mishal the Jewish tradition of sacred poetry stories proverbs riddles and dialogues through which wisdom is conveyed In the Hebrew Bible the Old Testament mishal is often associated with perplexing sayings for its meaning is deliberately obscured in order to force the reader or listener to deeper thought and higher consciousness While examining the parables of Jesus Living Water focuses not so much on traditional explanations and interpretations but on their paradoxical and perplexing nature In addition this book encourages us to take a parabolic approach to all Scripture viewing it as an aid to help us move from egoic existence to unitive existence This Spirit led way of living thinking and being requires a transformation from our False Self to our True Self from dualist self obsession to nondualist consciousness characterized by risk taking compassion generosity availability and joy a path charted by the parables of Jesus Benefitting from recent scholarly research Living Water is unique in content and conception and is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection Yoked Andrew Kort, Mihee Kim-Kort, 2014-10-08 This collection of true stories is written by Mihee Kim Kort and Andy Kort a married clergy couple who met while they were in seminary They share their unique perspective on the joys and challenges of ministry in alternating segments forming a collective narrative that illuminates the inner workings of a clergy marriage even as it inspires with heartfelt tales of life in ministry Throughout the book Mihee and Andy relate their respective impressions of shared experiences revealing inherent differences and potential sources of conflict but

also demonstrating how they work through their differences communicate and collaborate to make the most of their strengths With 20 years of ministry experience between them a blue Subaru Outback crammed full of child car seats an old dog named Ellis and life experience in three states Andy and Mihee have struggled with infertility survived the threat of foreclosure travelled abroad and led mission trips together and through it all remain yoked together This tale of endurance is only made possible by hard work sympathetic friends endless conversations countless cups of coffee and bottles of beer and the grace of God Faithful Disagreement Frances Taylor Gench,2009-04-02 Conflict is all too common in the church today But as Frances Taylor Gench reminds us in this book conflict over scriptural interpretation has been with the church since its earliest days Gench reflects on those early experiences of conflict presenting substantive studies of biblical texts showing that discord such as Romans 14 15 Matthew 14 Jeremiah 28 1 Corinthians 12 14 John 13 17 and drawing lessons from each about how it informs current conflicts in the church In the process she provides a constructive resource to help Christians wrestle with Scripture in the midst of their disagreements This innovative book can be used by individuals and in groups Numerous study questions conclude each chapter **Feasting on the Word: Lent through Eastertide** David Lyon Bartlett,Barbara Brown Taylor,2008-01-01 We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L Bartlett and Barbara Brown Taylor Book Jacket **Everyday Connections** Heidi Haverkamp,2022-08-30 This volume provides a full fifty two weeks of devotional material based on the Revised Common Lectionary for Year C Drawing from the insightful Bible commentaries in the Connections series each week of offerings also includes scriptural and literary readings lectio divina spiritual practices questions for journaling and a prayer This resource has been crafted with mainline lectionary preachers and lay leaders in mind both to supplement their planning for the week and to feed their souls in the midst of the work of ministry Individuals and small groups will find their faith deepened through regular contemplation and devotional insight **Sermons on the Gospels, for every Sunday throughout the year, with an appropriate sermon for the first and last Sunday** James WHEELER (Roman Catholic Priest.),1834 *Sermons on the Gospels, for every Sunday throughout the year* James Wheeler,1834
