K. Parent, 2014-03 At the great summer fair in the capital city of Sommerhjem the evil Regent is forced to step down due to the calling of the Gylden Sirklene challenge leaving the future of the country hanging in the balance One year to the day the challenge is called all nine pieces of the oppgave ringe must be delivered to the capital Four are already there but five more need to be found Chance a dreamer and adventure seeker has been chosen by his family to return to Sommerhjem to retrieve a piece of the oppgave ringe his father hid before the family fled the country to escape certain demise But what he thought would be a grand adventure turns out to be more than he bargained for he is thrown into the brig on a smuggler s ship and that only marks the beginning of his troubles Meanwhile Yara secures work in the royal library where she secretly begins researching the whereabouts of a piece of the oppgave ringe her family was once charged with keeping safe But what she eventually uncovers soon takes her and her fox companion Toki on a dangerous expedition to Sommerhjem s border In this continuing fantasy two seekers embark on separate journeys to find treasured objects and return them to their rightful place without any idea of where life is about to take each of them *Rethinking Khayyaamism* Khodadad Kaviani, 2014-08-20 This book contains poetry attributed to Omar Khayyaam 1048 1131 a popular Iranian poet whose philosophies provoke strong reactions from those who agree or disagree with his ideas Khayyaamism is a particular worldview that challenges established religious beliefs and practices that are contrary to reason These short poetic expressions promote the enjoyment of living in the moment and present death as both a natural part of life and the ultimate equalizer of the rich and the poor The collection of poems presented in this book dare the readers to take a more critical view of the issues and values that continue to be discovered by each new generation and debated in our world Along with each poem there are conversation starters and questions that invite the reader to dig deeper into the exposed concepts *Midnight Seekers* Leroy Mitchell, 2025-01-28 I have always had a strong passion for writing ever since I was twelve years of age I currently have five more works to be published This book is about people who have a void in their lives and are struggling to find the purpose for which they are on the face of this earth This work covers a wide genre of people from all walks of life seeking to know their purpose and mission Some find it and some are born and die without finding their God given purpose for such a time as this However everyone who is born has a God ordained purpose Each individual has the right to seek out God until He reveals what His purpose for their life is When purpose and destiny meet spiritual pregnancy occurs leaving the seeker with unspeakable joy

and full of glory This experience leaves them with a higher level of God s mystery and revelation in their lives declaring I will go before thee and make the crooked places straight I will break in pieces the gates of brass Isaiah 45 28 The Hidden Seeker J.
