Select Cases From The Corporate Social Challenge

Diane L. Swanson, Dann G. Fisher

Select Cases From The Corporate Social Challenge:

Handbook of Case Study Research in the Social Sciences Peter Rule, Vaughn M. John, 2024-10-03 In this Handbook Peter Rule and Vaughn M John bring together international experts to provide a thorough overview of case study research in the social sciences Analysing both historical and contemporary examples the Handbook contains a comprehensive grounding for both experienced and novice researchers in case study theory and methodology drawing out the challenges as well as the prospects for its development

Modern Entrepreneurship in Business Practice: Selected Issues Marek Matejun, Anna Walecka, 2013-10-01

Approaches to Corporate Social Responsibility Stefan Markovic, Adam Lindgreen, Nikolina Koporcic, Milena Micevski, 2023-08-25 Following recent growth of ethical consumerism customers and other stakeholders increasingly pressure organizations to be socially responsible and minimize their negative impact on the environment Accordingly a plethora of firms have integrated corporate social responsibility CSR at the center of their business strategies and actions Whilst this has resulted in many firms meeting their broader responsibilities toward society and the environment some firms have used CSR in a manipulative and insincere way As stakeholders become aware of such misuse of CSR largely thanks to the rapid evolution of information technologies they start to penalize firms by spreading negative word of mouth about them and specifically about their CSR knowledge values and actions Now more than ever before stakeholders are increasingly critical and cautious in their assessments of firms CSR knowledge values and actions On this background this edited volume sheds light on different internal and external perspectives spanning CSR knowledge values and actions It shares theoretical practical and case based insights on the broader topic and can be of interest to researchers academics practitioners and advanced students in the fields of CSR and business ethics knowledge management strategy and marketing

The Elgar Companion to Corporate Social Responsibility and the Sustainable Development Goals Samuel O. Idowu, Liangron Zu, 2023-10-06 This timely Companion analyses how corporate social responsibility CSR can accelerate the achievement of the UN s Sustainable Development Goals Global experts from a wide range of disciplines develop a flexible diverse and reconstructed form of CSR and illustrate how it can help build an inclusive and sustainable future

Cases on Corporate Social Responsibility and Contemporary Issues in Organizations Antonaras, Alexandros, Dekoulou, Paraskevi, 2019-02-15 The last decades witnessed a vigorous debate over the role of corporations in society Interest in corporate social responsibility CSR has become intense as corporate stakeholders have called for higher performance and ethical standards from businesses and many corporations have developed CSR programs to harvest the benefits resulting from such initiatives CSR practices have become a crucial component of business strategy contributing to organizational success and sustainable competitiveness Cases on Corporate Social Responsibility and Contemporary Issues in Organizations is an essential reference source that provides specific case studies that elaborate on the strategies and policies enacted by contemporary organizations to address environmental and social issues as well as economic and financial ones

Featuring research on topics such as sustainable development goals CSR pillars employee retention gender equality and social accountability this book is ideally designed for business managers researchers practitioners and students seeking coverage on innovative business practices enacted in multiple organizations industries Corporate Social Responsibility Beatrice Orlando,2022-03-16 This Edited Volume Corporate Social Responsibility is a collection of reviewed and relevant research chapters offering a comprehensive overview of recent developments in corporate behavior The book comprises single chapters authored by various researchers and edited by an expert in the field All chapters are complete in themselves but united under a common research study topic This publication aims at providing a thorough overview of the latest research efforts by international authors and opening new possible research paths for further novel developments

Corporate Social Responsibility and Strategic Market Positioning for Organizational Success Brown, Carlton,Nwagbara, Uzoechi,2018-07-20 The decisions a corporation makes affect more than just its stakeholders for they can have wide social environmental and economic consequences The relationship between marketing and corporate social responsibility is important to facing these consequences and providing organizational success Strategic marketing is a tool that can help to defuse tension between companies and their wider stakeholders as well as fend off criticism Corporate Social Responsibility and Strategic Market Positioning for Organizational Success is a critical scholarly resource that explores different approaches to understanding the nexus between business marketing technology education engagement and sustainability Featuring research on topics such as business strategy marketing strategies and organizational culture this book is ideally designed for business managers and practitioners commercial and corporate organizations researchers and academicians seeking coverage on the strategic importance of corporate social responsibility and marketing for commercial success **Corporate Social Responsibility in Europe** Regine Barth,Franziska Wolff,2009-01-01 The acid test of

corporate social responsibility CSR is simply this does it lead to positive impacts on society and the environment or is it just rhetoric And if it does lead to positive impacts how can these be enhanced This timely book tackles this cutting edge challenge by presenting empirical findings from a range of surveys and in depth case studies These build on a new methodological and theoretical framework for assessing and explaining the sustainability impact of CSR For selected sustainability issues mitigation of climate change and chemical risk resource management in marine fisheries promotion of gender equality and countering of bribery and within different European industries the authors show that the rhetoric of CSR is still stronger than its reality They do so by investigating into CSR practices which encompass the creation of a vision on CSR its strategic and operative implementation and its organisational and cultural embedding within companies and their supply chains The authors conclude that the reality of CSR is strong enough to allow for some rhetoric They name intra and extra company success factors for and limits of producing sustainability impacts through CSR Finally they discuss its contribution to achieving public policy goals and the governance paradigms that are necessary to make CSR effective The

volume successfully combines a business and public policy perspective based on an interdisciplinary approach This book will be invaluable for both students and researchers interested in the effects of CSR and will prove a useful tool for policy makers and CSR practitioners alike

Creating Social Value Through Social Entrepreneurship Fındıklı, Mine Afacan,Acar Erdur, Duygu,2020-12-04 With today s current problems including forced migrations inadequate education and healthcare systems environmental threats economic crises poverty etc it has become evident that systemic social change is needed Unfortunately creating maintaining and fostering sustainable social value is not easy In this respect social entrepreneurs can act as change agents with their social missions Yet the role of social entrepreneurship in creating sustainable social value is still in an embryonic state Creating Social Value Through Social Entrepreneurship contains expert research that links social entrepreneurship and social value in order to further understand the role of social entrepreneurship in creating social value and to highlight the importance of social entrepreneurs in emerging economies While covering topics that include crowdfunding social enterprise social entrepreneurship ecosystems and the triggers and challenges of social entrepreneurship this book seeks to extend the social entrepreneurship contribution to social impact The book is of value to entrepreneurs managers academicians researchers and students in various fields that include economics management and entrepreneurship

Visible Hands Jette Steen Knudsen,Jeremy Moon,2017-11-02 A growing number of states are regulating the corporate social responsibility CSR of domestic multinational corporations relating to overseas subsidiaries and suppliers In this book Jette Steen Knudsen and Jeremy Moon offer a new framework for analysing government CSR relations direct and indirect policies for CSR Arguing that existing research on CSR regulation fails to address the growing role of the state in shaping the international practices of multinational corporations the authors provide insight into the CSR issues that are addressed by government policies Drawing on case studies they analyse three key examples of CSR non financial reporting ethical trade and tax transparency in extractive industries In doing so they propose a new research agenda of government and CSR that is relevant to scholars and graduate students in CSR sustainability political economy and economic sociology as well as policymakers and consultants in international development and trade

Research Anthology on Business Law, Policy, and Social Responsibility Management Association, Information

Resources,2023-12-21 The complicated interactions between business law and societal expectations pose an unprecedented challenge in modern commerce Businesses navigate an intricate ecosystem shaped by legal principles government regulations and evolving societal values The Research Anthology on Business Law Policy and Social Responsibility comprehensively explores critical issues as societal expectations for responsible business practices rise across a four volume collection The anthology s timely significance makes this reference with an exhaustive coverage an indispensable resource Carefully curated the collection sheds light on the latest trends techniques and applications in business law and policy Covering topics from the transformation of business ethics in the digital era to the role of multi national corporations in

enforcing competition laws the anthology serves as a vital reference for academics lawyers policymakers and business professionals Libraries seeking expansive and diverse research materials will find this anthology to be an exceptional solution enriching the academic environment and serving as an invaluable tool for researchers educators and students The Research Anthology on Business Law Policy and Social Responsibility is a comprehensive addition to any institution s collection addressing the diverse needs of those exploring the landscape of business law and policy

The Oxford Handbook of Corporate Social Responsibility Abigail McWilliams, Deborah E. Rupp, Donald S. Siegel, Günter K. Stahl, David A.

Waldman, 2019-10-24 Corporate social responsibility CSR continues to grow as an area of interest in academia and business Encompassing broad topics such as the relationship between business society and government environmental issues globalization and the social and ethical dimensions of management and corporate operation CSR has become an increasingly interdisciplinary subject relevant to areas of economics sociology and psychology among others New directions in CSR research include advanced micro based investigations in organizational behaviour and human resource management additional studies of environmental social responsibility and sustainability further research on strategic CSR connections between social responsibility and entrepreneurship and improvements in methods and data analysis as the field matures Through authoritative contributions from international scholars across the social sciences this Handbook provides a cohesive overview of this recent expansion It introduces new perspectives new methodologies and new evidence from a range of disciplines to encourage and facilitate interdisciplinary research and global implementation of corporate social responsibility

Building Networks and Partnerships Philip H. Mirvis, Abraham B. (Rami) Shani, 2013-07-25 Organizing for Sustainable Effectiveness highlights research and practice aimed at understanding how organizations and more inclusive systems of actors develop a continuous unfaltering focus on sustainability

Corporate Social Responsibility Reporting in Developing Countries Ataur Rahman Belal, 2008 Using the lens of stakeholder theory this book examines whether the current practice of corporate social responsibility reporting in developing countries is motivated by a desire to discharge accountability to all relevant stakeholders or whether it is being driven by the imperative of advancing corporate economic interests

Essential Issues in Corporate Social Responsibility Samuel O. Idowu, Cătălina Sitnikov, 2020-04-06 This book presents the latest evidence on and new approaches to the development of Corporate Social Responsibility in emerging and established economies To do so it examines a broad range of industries from fashion to banking and various aspects like accounting information security and human resource management Special emphasis is placed on the role of education The case studies gathered here analyse both small and medium sized companies as well as listed enterprises The book is a valuable resource for researchers in the fields of sustainability and corporate responsibility provides student teaching cases for courses on CSR and sustainable management and offers blueprints for professionals seeking guidance and inspiration on their path towards responsible business operations

Cases on SMEs and Open Innovation: Applications and

Investigations Rahman, Hakikur,Ramos, Isabel,2011-11-30 Innovation has become a key success factor for economic development and a prerequisite for sustainable development In a complex and highly competitive global environment enterprises have to innovate and develop commercially viable products and services faster than ever before Cases on SMEs and Open Innovation Applications and Investigations reviews applications of open innovation concepts and strategies for SMEs development by accommodating theoretical perspectives and case studies This book covers diverse aspects of open innovation in terms of policy politics economy and culture making it a useful reference for researchers practitioners and academics *Corporate Social Responsibility and Urban Development* E. Werna,R. Keivani,David Murphy,2009-01-20 Urban development cooperation needs innovative solutions Despite many efforts international assistance has failed to address the challenges faced by cities in developing countries This book seeks to raise awareness about the value of corporate social responsibility as a tool in urban development assistance **The World Guide to CSR** Wayne Visser,Nick Tolhurst,2017-09-08 The World Guide to CSR is the first book to provide comparable national profiles that describe the evolution and practice of Corporate Sustainability and Responsibility CSR for 58 countries and 5 global regions Each regional and national profile includes key information about the relevant CSR history country specific issues trends research and leading organizations The purpose of the book is to give CSR professionals including managers consultants academics and NGOs focusing on the social environmental and ethical responsibilities of business a quick reference guide to CSR in different regional and national contexts The need for the book is premised on the fact that CSR professionals and researchers more often than not have a multinational remit and are required to benchmark performance internationally but find that country specific CSR information is ad hoc limited or non existent Even where national CSR research exists it is often hidden in academic journals that practitioners cannot access or do not have the time or inclination to read The book is an edited volume with expert contributors from around the world all of whom have been screened and selected on the basis of their qualifications and experience in CSR Each regional country profile includes the following subsections CSR in context Priority issues Trends Legislation and codes Organizations Case studies Educational institutions References This unique resource will be an essential acquisition for all organisations who need to benchmark their CSR strategies throughout different regions and cultures and want the best possible intelligence on the key issues and concerns relating to corporate social responsibility in all of the markets in which they operate *Research Anthology on Developing Socially Responsible Businesses* Management Association, Information Resources,2022-03-04 In today s world of global change it has never been more critical for businesses to adapt their strategies management styles and policies to match that of the surrounding environment Consumers are increasingly becoming more aware of the impact that businesses and product consumption have on environmental health Thus businesses have had to alter their production workflows to better suit a more environmentally conscious customer base As society faces numerous issues related to the environment health poverty and social justice the

need for socially responsible businesses is crucial to develop and improve the overall landscape of the business field The Research Anthology on Developing Socially Responsible Businesses discusses the best practices challenges opportunities and benefits of creating socially responsible businesses and provides a context of why these business models are needed This essential text also considers how society has changed over time and how businesses must adjust their ideals and practices in order to survive in a changing world Covering a range of topics such as accountability environmental issues and human rights this major reference work is ideal for business owners managers policymakers academicians researchers scholars practitioners instructors and students Advancing Business Ethics Education Diane L. Swanson,Dann G.

Fisher,2008-04-01 This book features sixteen chapters written by distinguished scholars who collectively point to a roadmap for advancing business ethics education at a critical juncture in the history of corporate America The editors frame the book with an introductory chapter that details a gold standard for delivering ethics in the business school curriculum that signals to students that ethics matters provides an adequate counterbalance to the amoral subtext that dominates much of business education remedies assessment problems associated with current accrediting standards and prepares students for newly minted and fast growing careers in ethics compliance risk management and corporate social responsibility The chapters that follow lay out some challenges and opportunities that administrators and educators need to address in order to improve business ethics education and business school reputations in a post Enron climate Both traditional and experimental perspectives on delivering ethics in the curriculum are covered in conjunction with research that substantiates the potential for improving student ethics competencies after exposure to ethics coursework Methods for incorporating ethics in various subjects including accounting corporate governance environmentalism global business managerial decision making and human resource management are also given as part of the roadmap for advancing business ethics education
