

Thesis: It is widely agreed upon that Gustav Holst composed two suites that are some of the best wind band composing to this day. His two suites, in E-flat and F respectively, were written for military bands in the early 1900s. These are two of the very few works that have been transcribed from band to orchestra, and were revolutionary at the time. In my paper, I will discuss Holst's personal biography as well as the history behind his two suites and their impact on the wind band. I will also provide a musical analysis of the movements that are contained in each piece. I feel that this topic is interesting because in music history, much of the musical credit goes to composers of pieces for orchestra, voice, and piano. However, because of my musical experience, I find wind band to be equally interesting and aesthetically pleasing. I wish to share knowledge about wind band-Holst specifically- and how his music shaped the musical world.

Cummings, Robert. "Holst, Gustav 1874-1934." *Oxford Music Online*, 2012. Accessed November 8, 2014.

The Oxford Online Music Database has an extensive collection of recordings, biographies, and scores to look at for a large list of composers. This source not only had accurate biographies, but I also found many recordings to listen to that gave me a further understanding of the analysis of the piece. More specifically, I found that this source enlightened me to a lot of Holst's early life including his childhood and early works. It also alluded to how he came up with some of his materials, including a section on his folksong influence that came from the English Vaughan-Williams.

Garofalo, Robert Joseph. *Folk Songs and Dances in Second Suite in F by Gustav Holst*. Silver Spring, Md.: Whirlwind Music, 2011.

In this source, the author uncovered some of the English influence that Holst uses in his second suite. He iterates that dances and folksongs are appearing throughout Holst's piece to create contrast between movements as well as to bring a familiar element to the English listener. This source was helpful in seeing how Holst grew from his English influences. This source was also much more specific than my other sources, which have a broader context of Holst as a person. I appreciated the author's insight into the deeper elements of the piece rather than just surface comments and plan to allude to those in my paper.

Holst, Gustav. *First Suite in E-Flat, Op. 28, No. 1*. Edwardsville, IL: Serenissima Music, 2012.

This recording of Holst's first suite was helpful to my research because I was
