Winston,Matthew Winston,2020-09-01 The Roots of Fake News argues that fake news is not a problem caused by the power
of the internet or by the failure of good journalism to assert itself Rather it is within the news s ideological foundations
professionalism neutrality and most especially objectivity that the true roots of the current crisis are to be found Placing the
concept of media objectivity in a fuller historical context this book examines how current perceptions of a crisis in journalism
actually fit within a long history of the ways news media have avoided obscured or simply ignored the difficulties involved in
promising objectivity let alone truth The book examines journalism s relationships with other spheres of human endeavour
science law philosophy concerned with the pursuit of objective truth to argue that the rising tide of fake news is not an attack
on the traditional ideologies which have supported journalism Rather it is an inevitable result of their inherent flaws and
vulnerabilities This is a valuable resource for students and scholars of journalism and history alike who are interested in
