Onibere,M.P. Adogbo,2010-04-01 This volume presents comprehensive case studies on various topics in Religious Studies It aims at bringing about the dynamics of change and innovations that characterise the study of religions in contemporary Nigerian society The work focusses on Biblical Studies Church History Islamic Studies and African Traditional Religions      Demystifying Islam Harris Zafar,2023-06-14 A welcome correction to the politically tortured conceptions of Islam so prevalent today An important original new examination of Islam Kirkus Reviews Despite heightened interest in the study of the Muslim faith for many people Islam remains shrouded in mystery and confusion What really is Shariah law How is a Muslim to understand Jihad Does Islam oppose Western values such as free speech or freedom of religion What place do women have according to Islam Understanding that this confusion has as much to do with the behavior and words of Muslims as it does with allegations made by anti Islam activists Demystifying Islam offers refreshingly bold answers to provocative questions about Islam today

Author Harris Zafar lecturer writer teacher and national spokesperson for Ahmadiyya Muslim Community USA is forthright about issues where Muslims disagree and he digs into history through vast research and scholarship to track the origins of differing beliefs From the burqa to the role of Jesus in Islam Demystifying Islam is an essential resource and concise guide to understanding the fastest growing religion in the world This book is less of a spiritual introduction than it is a cultural one and an excellent starting point for people navigating interfaith relationships or working to improve understanding and representation in organizations and public discussion Publishers Weekly A significant contribution to the global conversation on peace freedom and justice in a world mystified and threatened by geopolitical and religious tensions Paul Louis Metzger author of Connecting Christ     **The Chosen Peoples' Challenge: Biblical Love Boundaries** Mohamed Moussa Ghounem,2025-06-20 The Chosen Peoples Challenge Biblical Love Boundaries What does it truly mean to be chosen Is it a title of privilege or a call to service For millennia Jews Christians and Muslims have each claimed a divine covenant But today with rising violence political manipulation and religious confusion are we honoring the sacred trust of chosenness or distorting it The Chosen Peoples Challenge Biblical Love Boundaries boldly redefines the conversation Written in accessible yet scholarly prose this groundbreaking work invites Jews Christians and Muslims to confront the theological truths behind their shared heritage With historical precision and compassionate interfaith dialogue the author unpacks over 40 evictions from the Bible where God s favor was lost not due to race or religion but disobedience Drawing on deep scriptural insight including Torah Gospel Qur an and the Talmud this book shows how divine selection is not about birthright but about behavior At its core is a new theological framework Triune Covenant Theology a fresh interfaith alternative to the widely known Dual Covenant Theology Where Dual Covenant Theology suggests Jews and Christians can each be saved without fully believing in the other s revelation thus promoting parallel paths of disbelief Triune Covenant Theology asserts the opposite that God s enduring covenant is built on three pillars of unity Moses s law Jesus s mercy and Muhammad s monotheism Rather than negating each other these three messengers confirm one another calling humanity back to God s oneness lawfulness and love This book fearlessly challenges myths that have clouded the path to peace like the ideas of a land without a people or unconditional chosenness It addresses the misuse of sacred texts to justify apartheid settler violence and religious supremacy offering instead a vision rooted in justice humility and universal accountability Across twelve dynamic chapters and three rich appendices including a simulated AI debate between a Rabbi a Catholic priest and an Imam you ll encounter A powerful comparison of Biblical vs Qur anic visions of statehood sovereignty and moral law A theological and historical case for why Muslims now bear the mantle of Greater Israel not politically but spiritually A glossary of critical interfaith terms from Mishpat to Supersessionism to empower deeper understanding A Top 20 list of Zionist myths gently debunked with sacred texts and historical facts Far from a work of religious superiority this book is a spiritual blueprint for accountability coexistence and the revival of divine ethics It invites readers of all faiths or none to see that being chosen is
