

This book and its companion tapes are designed to help you and your child share fully a special happiness as he realizes how important he is to his family, and how meaningful the accomplishments are. The story is a natural lead-in to fostering your own child's self-esteem. The major reason for this is to help foster children's self-esteem and we follow:

- Children need praise for their accomplishments.
- Children need the attention and understanding of parents to build self-confidence.
- Children need encouragement to try their best at tasks that may seem frustrating.
- Children need to know their role and voice within their own family.

The tank may be used with the tape, Side 1, or read aloud without the tape. Side 2 of the tape brings Jack, Amy, and more of the Alphabet Pals together in a song for your child. LOOK WHAT WE CAN DO!
