

LUST vs. LOVE

What's the Real Deal?

LUST

- Based on physical attraction
- Short-term focus
- Selfish desire
- Can be fleeting and superficial
- Leads to temporary satisfaction
- Driven by hormones
- Can be impulsive and reckless
- Often leads to heartbreak

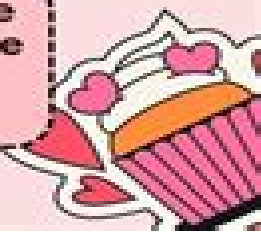

LOVE

- Based on emotional connection
- Long-term commitment
- Selfless giving
- Deep and meaningful
- Creates lasting happiness
- Driven by genuine feelings
- Requires patience and understanding
- Builds a strong and healthy relationship

Remember, lust and love are two very different things. While lust may provide temporary satisfaction, it cannot replace the deep and meaningful connection that comes with genuine love. Choose wisely and let your heart lead the way.

Lust Spoiled

Frank Lee Woodward

Lust Spoiled:

Lust Spoiled John Dexter, 1965 *Augustine* J. H. S. Burleigh, 2020-08-03 These are Augustine's writings from the time of his conversion to Christianity in AD 386 until he became Bishop of Hippo in 395-396. Included are eight of the most important treatises from this period in which Augustine's Christian position was being formulated. With each work is a brief introduction and Augustine's own review of the treatise. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works, each written prior to the end of the sixteenth century, contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

Strength for the Broken Places James A. Harnish, 2010-10-01 James A. Harnish from the Introduction: I'm broken. So are you. We're all broken people who live in a broken world. The critical question is how do we find strength to put broken things back together again. This book is an invitation to touch the scars that mark the broken places in our lives in the same way the risen Christ invited a doubting disciple to touch the nail scars in his hands. It is a challenge to explore some of the dark places in our human experience to uncover the sinister power of sin and to experience the way the grace of God meets us in our broken places to bring new life.

Wolf World Jo Ann Lordahl, 2005-08-01 In this second of the trilogy, Christine drives with her new young lover Michael on a rainy night to dig a hole for her father's cremated remains. Tomorrow at the peaceful cemetery, she'll conduct memorial services for her alcoholic father. Christine struggles with her art: painting hack seascapes for a living while the real artist inside wants desperately to succeed. Although an excellent artist, she never feels good enough. She's now making a fresh start in Florida after recent bad times in Louisiana, including the newly divorced Angelo who won't leave her alone. Determined to find the source of her self-defeating behavior and why her relationships always fail, Christine suspects her alcoholic father is implicated. When the Artists Gallery asks her to do a 20-year retrospective of her paintings, Christine knows it's time to find answers. She'll mine old memories and use current dreams. As Christine emotionally separates from Angelo and her past, Michael, the too young lover, intrigues, exasperates, and slowly melts her heart. Almost mystically, inevitably, Christine's dreams unfold. She integrates sexual, artistic work, self, and dreams herself whole. Now, with her father's perversity behind her and her own, Christine is free to make new choices.

Rethinking Augustine's Early Theology Carol Harrison, 2006-01-20 Carol Harrison counters the assumption that Augustine of Hippo's 354-430 theology underwent a revolutionary transformation around the time he was consecrated Bishop in 396. Instead, she argues that there is a fundamental continuity in his thought and practice from the moment of his conversion in 386. The book thereby challenges the general scholarly trend to begin reading Augustine with his *Confessions* (396), which were begun ten years after his conversion, and refocuses attention on his earlier works which undergird his whole theological system.

Life-study of 1 & 2 Kings Witness Lee, 1994 *Augustine's Manichaean Dilemma, Volume 1* Jason

David BeDuhn, 2012-01-31 Augustine of Hippo is history's best known Christian convert. The very concept of conversion owes its dissemination to Augustine's Confessions and yet as Jason BeDuhn notes conversion in Augustine is not the sudden dramatic and complete transformation of self we likely remember it to be. Rather in the Confessions Augustine depicts conversion as a lifelong process, a series of self-discoveries and self-departures. The tale of Augustine is one of conversion, apostasy, and conversion again. In this first volume of Augustine's Manichaean Dilemma, BeDuhn reconstructs Augustine's decade-long adherence to Manichaeism, apostasy from it, and subsequent conversion to Nicene Christianity. Based on his own testimony and contemporaneous sources from and about Manichaeism, the book situates many features of Augustine's young adulthood within his commitment to the sect while pointing out ways he failed to understand or put into practice key parts of the Manichaean system. It explores Augustine's dissatisfaction with the practice-oriented faith promoted by the Manichaean leader Faustus and the circumstances of heightened intolerance, anti-Manichaean legislation, and pressures for social conformity surrounding his apostasy. Seeking a historically circumscribed account of Augustine's subsequent conversion to Nicene Christianity, BeDuhn challenges entrenched conceptions of conversion derived in part from Augustine's later idealized account of his own spiritual development. He closely examines Augustine's evolving self-presentation in the year before and following his baptism and argues that the new identity to which he committed himself bore few of the hallmarks of the orthodoxy with which he is historically identified. Both a historical study of the specific case of Augustine and a theoretical reconsideration of the conditions under which conversion occurs, this book explores the role religion has in providing the materials and tools through which self-formation and reformation occurs.

GOD who Walked on Earth Rangaswami Parthasarathy, 2011-12-30 Who was Sai Baba? Where did he come from and what was his message? How and why was he worshipped as a God? Who were his disciples and why were they attracted to him? What do his devotees, numbering millions all over the country, think of his lilas? Have they experienced his compassion and received succour and relief in their hour of need? These questions are answered in this biography of a living God who charmed and captured the hearts of people from all walks of life, of all religions, rich and poor, the learned and the illiterate.
