Hicks-Drake, 2011-05-01 In this devoutly Christian book, Bertha L. Hicks Drake tells the story of a woman who has been overlooked in the Bible. The woman's identity and standing in the Bible completes the story of Jesus Christ. Through the woman's narrative highlighted in *Wisdom Hidden in a Mystery*, we learn how and why Jesus was chosen as the one to be the Son of God. The book reveals Jesus' identity before He was given this assignment and describes the beginning of the relationship that Jesus had with God. Deeply spiritual and powerfully moving, *Wisdom Hidden in a Mystery* will inform and strengthen the reader's faith. **Matchmaking in Middle Class India** Parul Bhandari, 2020-02-01 This book is an extensive and thorough exploration of the ways in which the middle class in India select their spouse. Using the prism of matchmaking, this book critically unpacks the concept of the modern and traces the importance of moralities and values in the making of middle class identities by bringing to the fore intersections and dynamics of caste, class, gender and neoliberalism. The author discusses a range of issues: romantic relationships among youth, use of online technology and of professional services like matrimonial agencies and detective agencies, encounters of love and heartbreak, impact of experiences of pain and humiliation on spouse selection and the involvement of family in matchmaking. Based on this comprehensive account, she elucidates how the categories of love and arranged marriages fall short of explaining in its entirety and essence the contemporary process of spouse selection in urban India. Though the ethnographic research has been conducted in India, this book is of relevance to social scientists studying matchmaking practices, youth cultures, modernity and the middle class in other societies, particularly in parts of Asia. While being based on thorough scholarship, the book is written in accessible language to appeal to a larger audience.
