Made In Manitoba An Anthology Of Short Fiction

Roman Wölfel

Made In Manitoba An Anthology Of Short Fiction:

Made in Manitoba ,1990 **Telling Stories** ,2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer s Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research *The Wascana Anthology of Short Fiction* University of Regina. Canadian Plains Research Center,1999 This anthology of short stories has been designed specifically as an instructional text for first year university students To explore the many dimensions of short narrative fiction the collection includes traditional classics from European culture from Chaucer to Gogol and Chekhov and extends to popular and celebrated stories from contemporary writers There is a decided emphasis on new stories from the Plains region of Canada and the United States Guy Vanderhaeghe Richard Ford Margaret Laurence Thomas King Bonnie Burnard Louise Erdrich all of them present masterly tales with specific appeal to students at post secondary institutions **Canadian Books in Print. Author and Title Index** ,1975 The Journal of Commonwealth Literature ,1991 One number each year includes Annual bibliography of Commonwealth literature **Small Press Record of Books in Print** Len Fulton,1994 **Essays on Canadian Writing** ,1993 A Sense of Place Christian Riegel,1998-03 A re evaluation of regionalism in Canadian and American writing A Sense of Place provides a comparative approach to the issue within a continental framework The contributors to this collection including Frank Davey Marjorie Pryse and Jonathan Hart look at a broad range of writers They explore regionalism on both sides of the border in light of the central political cultural literary and theoretical debates of our times *Canadian Book Review Annual* Joyce M. Wilson,2001 **Western American Literature** ,1992 *Canadians* ,1990-09 **Canadian Books in Print** ,2003

Creative Canada ,1972-12-15 Did he ever play Hamlet Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative and performing artists who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians

performers composers conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible **Quill & Quire** ,2005 **Dictionary of Manitoba Biography** J.M. Bumsted,1999-12-10

Manitoba has been at the crossroads of many of the important debates and events in Canadian history From the early fur trade to the Riel Rebellion to the Winnipeg General Strike Manitobans have frequently played crucial roles in Canadian and sometimes world history Until now there has been no comprehensive contemporary source for information on the many Manitobans who have left their mark on history and society Dictionary of Manitoba Biography fills this gap with biographical sketches of over 1700 Manitobans who have made an impact in politics the arts sports commerce agriculture and society It is an invaluable resource for scholars students and general readers interested in Canadian history Particular emphasis has been placed on reflecting Manitoba s ethnic and social diversity and on including men and women who were notable in their own day but have now been forgotten Many entries also refer the reader to additional references for further reading More than a reference book Dictionary of Manitoba Biography is also a fascinating work of history in its own right which presents the full and colourful scope of over 300 years of people in Manitoba history and social life from premiers and mayors to nightclub owners and sports heroes **Facts about Canada, Its Provinces and Territories** Jean Weihs,1995 A reference of information on the ten provinces and two territories of Canada compiled from federal and provincial sources Entries discuss the geography population climate government politics history and culture of each region list political leaders from the 19th century to the present and contain chronologies of key events Includes a bibliography of fiction and nonfiction works for each province and territory plus an introductory chapter on Canada No index Annotation copyright by Book News Inc Portland OR *The Soul Anthology 2.0* Source Of Universal Love,2015-06-26 Version 2 0 of the Soul Anthology series featuring world class poets from around the globe Special thanks to those Writers who have committed their artistic efforts to help those in need via the non profit charity Source of Universal Love SOUL [Tales from the Blue Gonk Cafe](#) Thirteen O'Clock Press,2015-02-18 The Blue Gonk Cafe decided to hold a storytelling day some of the best writers from Thirteen Press went to the sessions the result being an anthology of almost 170 pieces of flash fiction ranging from SF through gentle humour to outright horror Pick up and put down or start at the beginning and read through all five storytelling sessions either way the collection is a delight for the senses far ranging stories covering all aspects of Life Come on in and be part of

the storytelling sessions You won't regret it *Myths & Voices* David Lampe, 1993 Anthology of French and English speaking Canadian stories *The Canadian Encyclopedia* James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry *A mari usque ad mare* from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have

distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
