Had there been no Bible, there would be no America as we know it. It is the Bible that made America. When George Washington was sworn into office as our first president, he did not place his hand on the Declaration of Independence or the Constitution of the United States as important as those documents are. Instead, he swore upon and even kissed the Bible to sanctify this important moment. The Bible Washington knew had ushered American history to this point. While not every Founding Father was a Christian, each was knowledgeable about the Bible. And while none of them was perfect, many embraced a deep faith in the unfailing Word of God. *100 Bible Verses That Made America* contains
