The True Foundation of Life Pastor Sharon Gamit, 2015-08-12. All over the world a common question being asked by all is: Does God really love me? People often feel rejected and are terrified of God. There is bitterness in their hearts toward God and so they avoid coming to Him. Yet the real reason is we are not truly aware of His love. Often we try to measure God's love with the standards of human love. We ask questions such as: If God loves me then why I am hurting? Why have I lost my job? Why is my marriage breaking? Why I am suffering with deadly sickness? Why is this happening to me? Why Holocaust? Sudden death loss due to natural calamities 9/11 and shootings in schools. Then we always try to see where God is in that situation and we feel that if God loves me why did I get hurt? Does God still love me when I sin? People all over the world are too guilty of what they have done or are still doing. This guilt leads them to stay away from God since they think God is not going to accept them because of what they have done. This book is a fresh new revelation of God to answer the questions of your life.
