Revelations about Revelation Larry G. Pittman, 2024-06-03

Revelations About Revelation was born of a Pastor's heart for laypeople to help them understand a book of the Bible which has been grossly misinterpreted for ages by many preachers and Bible teachers. The author seeks to explain as simply as possible what the Apostle John was actually expressing to people of his own time in the context of the circumstances they were facing to help them stand firm for Jesus in the face of persecution. Too many times Revelation has been presented as some horrifying prediction of the future when John plainly states that he was sharing with the Church in his own time the tribulation and the Kingdom and the patient endurance. Revelation 1:9. He was not speaking of some far off future tribulation but the one they were facing at the end of the First Century AD which has continued to this day and will continue in one form or another in varying degrees of ferocity until Christ returns. The author of the present work first preached through Revelation for the two congregations he was serving in 1985. He felt the need to pass this message along to more people than would ever hear him preach so he began putting it all together in a book in 1987. After a busy life of ministry, other work and public service approaching retirement he was finally able to edit and complete the basic manuscript and prepare it for publication which he hopes will be helpful to the reader in understanding the strange images of Revelation that those who read may draw strength from the witness of John in difficult times and find courage to stand strong for Christ in any and all circumstances. Glory be to God.

Testimonies of the Life, Character, Revelations, and Doctrines of Mother Ann Lee Shakers, 1888

Challenging Islamic Orthodoxy Al Makin, 2016-09-22. This book is the first work that comprehensively presents the accounts of Lia Eden, a former flower arranger who claims to have received divine messages from the Archangel Gabriel and founded the divine Eden Kingdom in her house in Jakarta. This book places Lia Eden's prophetic trajectory in the context of diverse Indonesian spiritual and religious traditions by which hundreds of others also claimed to have been commanded by God to lead people and to establish religious groups. This book offers a fresh approach towards the rich Indonesian religious and spiritual traditions with particular attention to the accounts of the emergence of indigenous prophets who founded some popular religions. It presents the history of prophetic tradition which remains alive in Indonesian society from the colonial to reform period. It also explores the ways in which these prophets rebelled against two hegemonies: colonial power in the past and Islamic orthodoxy in the present. The discussion of this book focuses on Lia Eden including her biography, claims to prophethood and divinity, the development of her group, Eden Kingdom, her challenge to Islamic orthodoxy under the banner of the MUI Indonesian Ulama Council, her persecution by radical groups, her experiences in court trials and imprisonment and public responses to her emergence. The discussion also covers other themes currently drawing public attention in Indonesia such as pluralism, religious freedom, tolerance, discrimination against minorities and secularisation.

Urban Legends of Theology

Michael E. creation will respond to God's love. God Can't is written in understandable language. As a world-renown theologian, Thomas Jay Oord brings credibility to the book's radical ideas. He explains these ideas through true stories, illustrations, and scripture. God Can't is for those who want answers to tragedy, abuse, and other evils that make sense. What They're Saying If conventional notions of God make less and less sense to you, you'll find Thomas Jay Oord's new book a breath of fresh air. Simply put, God Can't presents an understanding of God that thoughtful, ethical people can believe in. Brian D McLaren, author of The Great Spiritual Migration, I did not want this book to end. I wish Dr Oord had written it 100 years ago or 1000 years ago. To find your understanding of life and your love for God renewed, read this book. Dr Karen Strand Winslow, Ph.D., Biblical and Jewish Studies Professor of Bible, Azusa Pacific University. As a clinical psychologist working with people in trauma, I owe Thomas Jay Oord an enormous debt of gratitude for recasting the so-called problem of evil in terms that are conceptually satisfying, theologically consistent, and pastorally liberating. Dr Roger Bretherton, Principal Lecturer at the University of Lincoln, UK, Chair of the British Association of Christians in Psychology. Victims of trauma sometimes hear theological responses that imply their suffering is somehow God's will. A more careful theological reflection on the nature of the power of a God who is love can help. Oord gives us a clear and compelling alternative in this profoundly insightful and admirably concrete and accessible book. Dr Anna Case Winters, Professor of Theology at McCormick Theological Seminary. I know of no book that speaks to suffering with the depth of theological sophistication and psychological sensitivity as God Can't. This book is a rare combination of depth and accessibility, truly written for the wounded. I recommend it to my students, parishioners, and therapy clients. Dr Brad D Strawn, Professor of the Integration of Psychology and Theology, Fuller Theological Seminary.

Handbook on Postconservative Theological Interpretation Ronald T. Michener, Mark A. Lamport, 2024-10-24

Postconservative theology may be said to parallel with postliberal theology at its best. Orthodox biblical but open to new insights about how to interpret Scripture. But the new insights must be faithful as well as fresh. Postconservative theology is not the same as progressive theology, which tends to lean toward indeterminate faith expressions, whereas postconservative allows for particular faith commitments and expressions but understands that the constructive task of theology is never finished. Authors emphasize various interpretive theological lenses used for doing theology among various postconservative theologians rather than emphasizing the philosophical background to hermeneutical theory present in other works such as past influential thinkers including Gadamer, Grondin, Ricoeur, Heidegger, etc. This resource could also function as a companion to Evangelical Theological Method: Five Views (2018). This emphasis of the chapters will not be on the nuts and bolts of how to interpret but rather on the theological impulses that govern various lenses, Bible, cultural context, etc. for doing theology and the way Scripture functions with respect to the practice of interpretation. After Satan Martine Hennard Dutheil de la Rochère, Kirsten Stirling, 2010-07-12 This volume is the result of a collective desire to pay homage to Neil Forsyth whose work has significantly contributed to scholarship on Satan This volume is after Satan in more ways than one tracing the afterlife of both the satanic figure in literature and of Neil Forsyth s contribution to the field particularly in his major books The Old Enemy Satan and the Combat Myth Princeton University Press 1987 revised 1990 and The Satanic Epic Princeton University Press 2003 The essays in this volume draw on Forsyth s work as a focus for their analyses of literary encounters with evil or with the Devil himself

reflecting the richness and variety of contemporary approaches to the age old question of how to represent evil All the contributors acknowledge Neil Forsyth s influence in the study of both the Satan figure and Milton s Paradise Lost But beyond simply paying homage to Neil Forsyth the articles collected here trace the lineage of the Satan figure through literary history showing how evil can function as a necessary other against which a community may define itself They chart the demonised other through biblical history and medieval chronicle Shakespeare and Milton to nineteenth century fiction and the contemporary novel Many of the contributors find that literary evil is mediated through the lens of the Satan of Paradise Lost and their articles address the notion raised by Neil Forsyth in *The Satanic Epic* that the literary Devil figures under consideration are particularly interested in linguistic ambivalence and the twisted texture of literary works themselves The multiple responses to evil and the continuous reinvention of the devil figure through the centuries all reaffirm the textual presence of the Devil his changing forms necessarily inscribed in the shifting history of western literary culture These essays are a tribute to the work of Neil Forsyth whose scholarship has illuminated and guided the study of the Devil in English and other literatures
