K. Barrett,Fred Barrett,2018-05-04 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one s tradition and theology The sermons in these volumes demonstrate what such preaching can look like This third volume presents sermons from both the Old Testament and the New Testament **Receptive Human Virtues** Elizabeth Agnew Cochran,2015-08-26 This book offers a new reading of Jonathan Edwards s virtue ethic that examines a range of qualities Edwards identifies as virtues and considers their importance for contemporary ethics Each of Edwards s human virtues is receptive in nature humans acquire the virtues through receiving divine grace and therefore depend utterly on Edwards s God for virtue s acquisition By contending that humans remain authentic moral agents even as they are unable to attain virtue apart from his God s assistance Edwards challenges contemporary conceptions of moral responsibility which tend to emphasize human autonomy as a central part of accountability **Mercy of God's Humility** Edward Norman,2004-03-01 With pellucid clarity Edward Norman expounds central truths of the Christian religion in a way that is both traditional but entirely radical It is after all the truth that sets us free Here is a sequel to Continuum s highly successful book Out of the Depths In this new book however Norman has written a brilliant new introduction worthy of a Crockford s preface in which he castigates reductionists and woolly minded liberals The truths of Christianity are eternal verities Orthodoxy is the highest form of radicalism As the Christian churches tear themselves apart on issues such as gay clergy and single sex marriages Norman s message will be increasingly understood and appreciated *Capsule for the Day* Francis M.

Afu,2020-04-14 Capsule for the Day is a daily devotional that offers healing words in our world a world created by God that is good but broken and wounded Each capsule tells a story that gives voice to our own stories It celebrates our joys and victories It reveals the beauty lurking in our brokenness and the message in our mess The capsule calls us to faith and to respond to God s gift of himself It inspires hope It challenges us to cooperate with God in rough times and even in the midst of evil to be expectant and to wait for the birth of that which at a given moment is shrouded in mystery It summons us to keep a steady relationship with God through prayer It reminds us that we are loved by the Father and called to love him and our neighbours Capsule for the Day seeks to strengthen us as we journey through life It is a guide that enables us to navigate our way in the world to seek God to gather around him and to find our purpose It asks the question what do you live for And day by day it leads us to Christ in whom we find answers to our ultimate questions **Contemplations Moral and Divine**

Yolanda "Cookie"

Doyle,2023-05-26 My husband and I have five adult children In September 2021 our only son died of a drug overdose Over the years I ve learned to obey the Scripture to hide God s Word in my heart so I will not sin against him even in the worst circumstances that bring the deepest pain When I received the news of his death through the tears I asked God Please help me see opportunities to bless you through this loss I wanted to walk through this with hope not bitterness joy not self pity This study is the compilation of my working through my grief biblically The Lord brought David s life to mind with particular attention to Psalm 34 David says I will bless the Lord at all times his praises shall continually be in my mouth His life was a rollercoaster of devastation God called him a man after my own heart because David was determined to live for God through any obstacle even with repentance when he failed David s life offers such amazing examples of blessing God through pain loss and fear Running life s race with faith is a day by day choice to offer pain self pity and bitterness to God in exchange for humility joy and hope God s power will be made perfect in our weaknesses he promises I m praying that by the end of this study you will learn how to exchange any obstacle for an opportunity to bless the Lord Not just to do that but to bless the Lord at all times letting his praises continually be in your mouth **Contemplations** Matthew Hale,1679 *Christian*

Advocate ,1915 Engaging Luther Olli-Pekka Vainio,2010-04-26 The Reformer Martin Luther is the source of endless fascination and dispute Not only his antagonists but also his supporters have created a host of representations of his thought On the one hand Catholic and other similar voices have accused Luther of being the major agent in the birth of modern secularism On the other hand Lutherans themselves are divided on the meaning of Reformation In view of all these interpretations and dismissals of Luther and the Lutheran Reformation it requires a certain boldness to claim that Luther s

theology is intellectually fascinating and contains exceptional resources This is precisely what the present volume claims The studies collected in this volume aim at showing in which sense Luther remains a fully Catholic and genuinely Augustinian theologian who is not so much a forerunner of problematic modernity as a representative of classical Christianity At the same time Luther s theology contains ideas that can be made fruitful in dialogue with currents like communitarianism or Radical Orthodoxy The volume consists of articles written by scholars affiliated with the project known as the New Finnish Interpretation of Luther The topics include Luther s theological anthropology Trinity christology sacraments faith theology of the cross the Virgin Mary sexuality music and the spiritual reading of the Holy Scriptures
