

The Heart of a Spiritual Teacher

MY
MASTER
IS MY
SELF

A spiritual teacher must not only understand the human mind but also the human heart. The heart is the source of all emotions and feelings. It is the heart that connects us to the divine. A spiritual teacher must be able to guide others in their journey towards the heart of God.

Giving Birth to God Mother Clare Watts, 2003. *Giving Birth to God* tells of one woman's journey through yoga ashrams and Sufi training to finding a mystical Christian school with Master Teachers. After 12 years of transformational training, Mother Clare was ordained a Priest, and four years later a Master Teacher. Mother Clare was married, raised four children, and was a practicing midwife and psychotherapist while receiving her mystical and esoteric training. Without being celibate, without going to India, and joining a foreign religion, Mother Clare received complete spiritual training, including initiations and ordinations, in the midst of leading the full life of an American woman. Wonderfully moving stories give an in-depth rendering of the Inner Christian Path. Some accounts will induce laughter and some tears, while the stories of women giving birth and the transformations the author experienced as a midwife and mother will move hearts and open minds to the great reality of the spiritual world.
