Reflections Peter James Ford,2024-03-27 Peter James Ford *The Unlikely Messenger* is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter s spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini

Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger

Destiny Peter James Ford,2024-03-04 DESTINY is a book recording the continual soul expansion of the seeker Peter James Ford Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport Massachusetts In Peter's late night meditations which were along the Merrimac River the boardwalk the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native American Burial Grounds and Old Hill Burial Grounds he was having vivid visions in his mind of seeming past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources One source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons We can access this power through ancient spiritual practices and apparently Peter has done just that Stories and Tales began flowing from Peter and he wrote his first book In the last three years Peter has written ten more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT then the eighth and ninth bonus companion books called MYSTIC VISION QUEST Then SHAMBHALA'S GHOSTS was to join the collection of mystical tales Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart **HIT THE ROAD YAK**

I Want to be Alone Barry Stone,2010-06-01 This book looks at some of history s most fascinating recluses and remarkable loners Some withdrew from society for religious reasons as in the case of the hermits and ascetics who gave their lives entirely to the service of God by meditating alone in the desert in cliffside caves in monastic cells or as in the case of Saint Simeon Stylites on top of a tall rock pillar for 37 years Some of the world s most powerful leaders and monarches have also sought a solitary and secluded life to try to escape from the burden of their responsibilities Ludwig II of Bavaria built some of the world s most beautiful fairytale castles on the Rhine and then lived in them in self imposed loneliness and seclusion There are those who hide from the demands of celebrity like Greta Garbo and from the pressures of everyday human society like millionaire Howard Hughes **Living Treasure** Andrew Quintman,Holly Gayley,2023-06-06 Senior scholars and former students celebrate the life and work of Janet Gyatso professor of Buddhist studies at Harvard Divinity School Inspired by her contributions to life writing Tibetan medicine gender studies and more these offerings make a rich feast for readers interested in Tibetan and Buddhist studies Janet Gyatso has made substantial influential and incredibly valuable contributions to the fields of Buddhist and Tibetan studies Her paradigm shifting approach is to take a topic an idea a text a term often one that had long been taken for granted or overlooked and turn it inside out to radically reimagine the kinds of questions that might be asked and what the answers might reveal The twenty nine essays in this volume authored by colleagues and former students many of whom are now also colleagues represent the breadth of her interests and influence and the care that she has taken in training the current generation of scholars of Tibet and Buddhism They are organized into five sections Women Gender and Sexuality Biography and Autobiography the Nyingma Imaginaire Literature Art and Poetry

and Early Modernity Human and Nonhuman Worlds Contributions include Jos Cabez n on the incorporation of a Buddhist rock carving in Central Asian culture Matthew Kapstein on the memoirs of an ambivalent reincarnated lama Willa Baker on Jikm Lingpa s theory of absence Andrew Quintman on a found poem expressing worldly sadness on the forced closure of a monastery and Padma tsho on Tibetan women s advocacy for full female ordination These and the many other chapters each fascinating reads in their own right together offer a glowing tribute to a scholar who indelibly changed the way we think about Buddhism its history and its literature
