My Name Starts with J Larry Hayes, Charles Hayes, 2004-10 Designed to build self-esteem in every child while they learn to read, each book in this series focuses on the first letter of a child's name. What other words start with that same letter? Animals, plants, food, family, friends, and activities are just some of the topics used to excite young readers about themselves, their name, and reading.

My Name Starts with M Larry E. Hayes, 2004-04 This book focuses on the first letter of a child's name. Photographs and colorful original illustrations of other words with the same letter encourage reading and help children understand the special connections their names have to the wider world.

My Name Starts with S Larry E. Hayes, 2003-08 Captivating photographs and art encourage children whose names start with S to read and discover what their names share with their world. See, sea lions sleep, swans swim, storks stand, and salamanders slither as a snail sneaks through this book.

My Name Starts with K Larry Hayes, 2005-10-05 This is the fifth book in a charmingly original series that capitalizes on the inherent interest children have in their names. Colorful original illustrations and photographs of other words beginning with the same letter encourage reading and challenge children to count, find objects, and expand their vocabulary. The first page of *My Name Starts with K* shows young readers how to make a K using sign language and introduces them to the entire American Sign Language alphabet. The book features illustrations and photos of all sorts of words that begin with K, and the young reader will quickly become aware of the importance of the first letter of his or her name. Word recognition and identification of numerous K words will help beginning readers start the decoding process. The whimsical original art by Arlie Anderson provides a pleasing warmth and texture that sets this book apart from other children's books.
