National Self Images And Regional Identities In Russia:

National Self-images and Regional Identities in Russia Bo Petersson, 2018-02-06 This title was first published in 2001 This text looks at what being Russian means to a Russian politician the country they live in and what they think it ought to be It is a study of self images in Russia pertaining to the Russian state policy and the cognitive and affective strands regarding Russia's past its friends and foes externally and internally and Russia's role in the international arena as well as key issues related to internal developments This book attempts to assess to what extent a new sense of identity emerged in Russia during the decade after the dissolution of the Soviet Union In this book Petersson argues that the development of a civic national identity centered around belonging to the state and not an ethnic community is the only viable option to prevent further disintegration and bring about stability and cohesion for the country

After Communism Donald R. Kelley, 2003-01-01 In this collection top scholars of Soviet and post Soviet studies convene to explore communism's aftermath They consider state building and constitutionalism the transition to market capitalism and democracy across Eastern Europe the political development of Muslim states the complex and differential developments of electoral systems the risks and opportunities of nationalism and new political and economic activities in Russia from corruption to contracts Editor Donald Kelley introduces the volume with a synthesis of the theoretical and empirical findings of the volume and his brief chapter introductions place each contribution in relation to the other essays and to larger debates on democratization

Myth Making in the Soviet Union and Modern Russia Vicky Davis, 2017-11-30 The 1943 battle to free the Soviet Black Sea port of Novorossiisk from German occupation was fought from the beach head of Malaia zemlia where the young Colonel Leonid Brezhnev saw action Despite widespread scepticism of the state's appropriation and inflation of this historical event the heroes of the campaign are still commemorated in Novorossiisk today by an amalgam of memoir monuments and ritual Through the prism of this provincial Russian town Vicky Davis sheds light on the character of Brezhnev as perceived by his people and on the process of memory for the ordinary Russian citizen Davis analyses the construction and propagation of the local war myth to link the individual citizens of Novorossiisk with evolving state policy since World War II and examines the resultant social and political connotations Her compelling new interdisciplinary evidence reveals the complexity of myth and memory challenging existing assumptions to show that there is still scope for the local community and even the individual in memory construction in an authoritarian environment This book represents a much needed departure from the study of myth and memory in larger cities of the former Soviet Union adding nuance to the existing portrait of Brezhnev and demonstrating the continued importance of war memory in Russia today

Russia and the Arctic Geir Hønneland, 2020-01-09 The world is currently witnessing an Arctic Scramble as the major powers compete to demarcate and occupy Arctic territory The region is known to be home to large gas and oil reserves and its position at the top of the globe holds significant trading and military advantages Yet the territorial boundaries of the region remain ill defined and Russia under the increasingly bold foreign

policy of Vladimir Putin has emerged as a forceful power in the region Geir Hønneland investigates the political contexts and international tensions surrounding Russia's actions focusing especially on the disputes which have emerged in the Barents Sea where European and Russian interests compete directly Skillfully delineating Russian policy in the region and analyzing the mineral and environmental consequences of the recent treaty agreements Russia and the Arctic is a crucial addition to our understanding of contemporary International Relations concerning the Polar North This new updated edition takes into account Russia's recent moves in the Arctic region and the development of the Arctic council

Putin's Predicament Bo Petersson, 2021-09-09 Using the Russian president's major public addresses as the main source Bo Petersson analyzes the legitimization strategies employed during Vladimir Putin's third and fourth terms in office The argument is that these strategies have rested on Putin's highly personalized blend of strongman image projection and presentation as the embodiment of Russia's great power myth Putin appears as the only credible guarantor against renewed weakness political chaos and interference from abroad in particular from the US After a first deep crisis of legitimacy manifested itself by the massive protests in 2011 2012 the annexation of Crimea led to a lengthy boost in Putin's popularity figures The book discusses how the Crimea effect is by 2021 trailing off and Putin's charismatic authority is increasingly questioned by opposition from Alexei Navalny the effects of unpopular reforms and poor handling of the COVID 19 pandemic Moreover Russia is bound to head for a succession crisis as the legitimacy of the political system continues to be built on Putin's projected personal characteristics and now apparently waning charisma and since no potential heir apparent has been allowed on center stage The constitutional reform of summer 2020 made it possible in theory for Putin to continue as president until 2036 Yet this change did not address the Russian political system's fundamental future leadership dilemma

Postcommunist Film - Russia, Eastern Europe and World Culture Lars Kristensen, 2013-02-28 A post communist condition has arisen from the fall of the Berlin Wall and later the Soviet Empire this book looks at how this condition has manifested itself globally in the production of post communist film It argues post communism is a shared experience on a geopolitical level unlimited by national state borders and examines post communist cross culturalism and global totalitarianism within film The book examines different national cinemas and dissimilar cinematic modes from Russian blockbuster cinema to Chinese independent cinema from Serbian city films to revolutionary films of Mozambique all formulated as within the postcommunist condition It considers the postcommunist film in terms of transnational and World cinema It covers a wide range of films from small and independent filmmaking to mainstream popular cinema and explains post communist signifiers as manifested in visual culture both inside and outside former and current communist countries

The SAGE Handbook of Nations and Nationalism Gerard Delanty, Krishan Kumar, 2006-06-14 With its list of distinguished contributors and its wide range of topics the handbook is surely destined to become an invaluable resource for all serious students of nationalism Michael Billig Professor of Social Sciences at Loughborough University and author of *Banal*

Nationalism SAGE 1995 The persistence some would say revival of nationalism across the recent history of modernity in particular the past two decades has taken many scholars in the social sciences by surprise In response interest in the analysis of nationalism has increased and given rise to a great variety of new angles under which to study the phenomenon What was missing in the cacophony of voices addressing nationalism was a volume that brought them together and confronted them with each other This handbook does just that It deserves particular praise for the wide range of approaches and topic included and for the systematic attempt at studying nationalism as a phenomenon of our time not a remnant from the past Peter Wagner Professor of Social and Political Theory European University Institute and Professor of Sociology University of Warwick For students concerned with the contemporary study of nationalism this will be an invaluable publication The three fold division into approaches themes and cases is a very solid and sensible one The editors have commissioned essays from leading scholars in the field and this handbook provides the best single volume overview of contemporary nationalism John Breuilly Professor of Nationalism and Ethnicity London School of Economics Nationalism has long excited debate in political social and cultural theory and remains a key field of enquiry among historians anthropologists sociologists as well as political scientists It is also one of the critical media issues of our time There are however surprisingly few volumes that bring together the best of this intellectual diversity into one collection This Handbook gives readers a critical survey of the latest theories and debates and provides a glimpse of the issues that will shape their future Its three sections guide the reader through the theoretical approaches to this field of study its major themes from modernity to memory migration and genocide and the diversity of nationalisms found around the globe The overall aim of this Handbook is to relate theories and debates within and across a range of disciplines illuminate themes and issues of central importance in both historical and contemporary contexts and show how nationalism has impacted upon and interacted with other political and social forms and forces This book provides a much needed resource for scholars in international relations political science social theory and sociology

Research Handbook on Nationalism Liah Greenfeld,Zeying Wu,2020-09-25 Assembling scholarship on the subject of nationalism from around the world this Research Handbook brings to the attention of the reader research showcasing the unprecedented expansion of the scholarly field in general and offers a diversity of perspectives on the topic It highlights the disarray in Western social sciences and the rise in the relative importance of previously independent scholarly traditions of China and post Soviet societies Nationalism is the field of study where the mutual relevance of these traditions is both most clearly evident and particularly consequential

Exploring Russia's Exceptionalism in International Politics Raymond Taras,2023-12-19 This book explores Russia s sense of its own uniqueness and the impact this has had on Russia s conduct of international relations Examining concepts such as Russia s special civilising mission its difference from the West its proneness to conduct violent warfare and more and discussing these concepts in relation to Russia s history and its present behaviour and also in relation to other countries views of themselves as exceptional the book highlights Russia s

sense of its own identity as a key factor shaping current international events

Good Governance in the Era of Global Neoliberalism Jolle Demmers,Alex E. Fernández Jilberto,Barbara Hogenboom,2004-08-02 The contributions cover a wide range of territories Argentina Russia the Ukraine Indonesia and Taiwan The book will be the first to call into question the idea of good governance and exactly what that implies The editors have a good track record and have been widely published in the area Book should be of great appeal to all international and development economists

Russian Politics and Society Richard Sakwa,2002-09-11 Sakwa's Russian Politics and Society is the most comprehensive study of Russia's post communist political development It has since its first publication in 1993 become an indispensable guide for all those who need to know about the current political scene in Russia about the country's political stability and about the future of democracy under its post communist leadership This is the ideal introductory textbook it covers all the key issues it is clearly written and it includes the most up to date material available For this third edition Sakwa has updated the text throughout to include details of Yeltsin's second term and the impact on Russian politics of the rise of his successor Vladimir Putin It also contains a substantially expanded bibliography and appendices showing election results chronology social and demographic figures and recent census data

Majority Cultures and the Everyday Politics of Ethnic Difference B. Petersson,K. Tyler,2008-05-29 Examining the ways in which majority Western cultures govern represent and exclude those that are considered to be ethnically other this book asks what is the impact of globalization governance and Western immigration controls on the construction of the majority self and the minority other

The Sochi Predicament Bo Petersson,Karina Vamling,2013-11-25 For a variety of political climatic ecological security related and other reasons the Russian summer resort of Sochi by the Black Sea would seem a most unlikely candidate for the Olympic Winter Games Despite this the Games will be held there in February 2014 and the Russian leaders regard the Games as a highly prestigious project underlining Russia's return to a status of great power in the contemporary world This book conducts a thorough inventory of the contexts characteristics and challenges facing the Sochi Games It deals with the problems from Russian Georgian Abkhazian and Circassian perspectives and makes in depth analyses of profound challenges related to matters such as identity security and ethnic relations The book brings together an international group of eminent scholars representing different disciplinary perspectives including political science sports science ethics ethnology and Caucasian studies

Russia's Regional Identities Edith Clowes,Gisela Erbslöh,Ani Kokobobo,2018-01-17 Contemporary Russia is often viewed as a centralised regime based in Moscow with dependent provinces made subservient by Putin's policies limiting regional autonomy This book however demonstrates that beyond this largely political view by looking at Russia's regions more in cultural and social terms a quite different picture emerges of a Russia rich in variety with different regional identities cultures traditions and memories The book explores how identities are formed and rethought in contemporary Russia and outlines the nature of particular regional identities from Siberia and the Urals to southern Russia from the Russian heartland to the non Russian

republics *Borderland Russians* G. Hønneland, 2010-10-13 Geir Hønneland discusses some of the big questions in social science What is identity What is the role of identity and narrative in the study of international relations The location is the Kola Peninsula the most heavily militarized area of the world during the Cold War now set to become Europe's next big oil playground *Russia's Identity in International Relations* Raymond Taras, 2012-10-02 Bringing together leading scholars from Russia and outside experts on Russia this book looks at the difference between the image Russia has of itself and the way it is viewed in the West It discusses the historical cultural and political foundations that these images are built upon and goes on to analyse how contested these images are and their impact on Russian identity The book questions whether differing images explain fractiousness in Western Russian relations in the new century or whether distinct imaginary solitudes offer a better platform from which to negotiate differences Providing an innovative comparative study of contemporary images of the country and their impact the book is a significant contribution to studies of globalisation and international relations *Security in a greater Europe* Charlotte Wagnsson, 2013-07-19 Can Russia the European Union and the three major EU member states adopt a unified policy line in the global arena Charlotte Wagnsson investigates the cohesiveness of greater Europe through the detailed scrutiny of policy statements by the leadership elites in the UK France Germany Russia and the EU in connection with three defining events in international security the crisis in Kosovo of 1999 the terrorist attacks of 9/11 and the Iraq crisis of 2003 This extensive empirical enquiry results in a critical constructivist response to neorealist understandings of European security The book is available in paperback for the first time It contrasts the EU's new way of doing security with the established competitive bilateral interplay in the European security sphere and provides a clue to the kind of security politics that will prevail in Europe A joint Moscow Brussels approach would improve the chances of both increasing their relative strength vis vis the USA but serious cleavages threaten to undermine such a greater European common view on security Wagnsson considers the extent to which the major European players pursue similar objectives and assesses the possible implications for and the chances of greater Europe emerging as a cohesive global actor This meticulously researched book will interest scholars and students with an interest in international security the EU's international role European international relations and Russian security *Post-Soviet Civil Society* Anders Uhlin, 2006-03-20 The development of civil society has varied greatly across the former Soviet Union The Baltic states have achieved a high level of integration with the West and European Union membership while some regions in Russia lag far behind Now for the first time there is a comparative study of civil society and democratization across post-Soviet national borders Acknowledging the enormous variation throughout the region the book offers unique data on developments in Russia Estonia Latvia and Lithuania Applying an innovative analytical framework derived from theories of democratization civil society social movements and transnational relations the researchers have formulated broader comparisons and generalisations without neglecting the specific post-Soviet context The book provides a systematic comparison across sectors

as well as nations and includes chapters on NGOs the state and conflict and transnationalisation Quantitative survey data is combined with qualitative interviews and case study research to both confirm previous findings about the weakness of post communist civil society and to qualify previous research

Russia and Globalization Douglas W. Blum, 2008-03-26 Russia is a battered giant struggling to rebuild its power and identity in an era of globalization Several of the essays in this diverse and original collection point to the difficulty of guaranteeing a stable domestic order due to demographic shifts economic changes and institutional weaknesses Other contributors focus on the country's efforts to respond to the challenges posed by globalization and discuss the various ways in which Russia is reconceptualizing its role as an international actor Ambivalence is a recurrent theme according to editor Douglas W Blum ambivalence about globalization's costs and benefits and the efforts required to manage them

Legitimacy Beyond the State? Eva Erman, Anders Uhlin, 2010-08-04 Combining case studies with normative theory this book analyzes the democratic credentials of transnational actors participating in global governance ranging from corporations and philanthropic foundations to NGOs and social movements This leads to innovative interpretations of democratic legitimacy in a transnational context

National Self Images And Regional Identities In Russia Introduction

In today's digital age, the availability of National Self Images And Regional Identities In Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of National Self Images And Regional Identities In Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant

advantages of National Self Images And Regional Identities In Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing National Self Images And Regional Identities In Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, National Self Images And Regional Identities In Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing National Self Images And Regional Identities In Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for National Self Images And Regional Identities In Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, National Self Images And Regional Identities In Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-

improvement. So why not take advantage of the vast world of National Self Images And Regional Identities In Russia books and manuals for download and embark on your journey of knowledge?

FAQs About National Self Images And Regional Identities In Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. National Self Images And Regional Identities In Russia is one of the best book in our library for free trial. We provide copy of National Self Images And Regional Identities In Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with National Self Images And Regional Identities In Russia. Where to download National Self Images And Regional Identities In Russia online for free? Are you looking for National Self Images And Regional Identities In Russia PDF? This is definitely going to save you time and cash in something you should think about.
