Your Days Are Numbered Michael A. Price,2011-04-13 It is hopeful that this present work should be a blessing to those who read it When the writer of this book started taking notes and studying the various numbers in scripture it was his initial desire to know and to understand the God of the Bible in a deeper way This work has been in the making for twenty plus years Yet there still remains an insurmountable amount of evidence which suggests that God s ways are past finding out by the human mind and intellect God is Spirit and He must be contacted by the spirit of man for a fuller revelation of His awesome glory and majesty The subject of numbers in scripture has proven to be a fascinating endeavor but at the same time never ending because of the continuous revelation of always discovering new meanings and new numbers to contemplate by the spirit Illustrations are continually being discovered It would be irreverent to suppose that this work could be complete for it would assume that the wonders of the Creator as manifested through numbers in scripture could be all discovered May this modest work be to the praise and glory of the One and Only True God

The Numerical Structure of the Holy Bible Charles Stockford Jr.,2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study A Biblical Cyclopædia John Eadie,1883 **Jesus Christ, the Number of His Name** Bonnie Gaunt,1998 Sir Issac Newton searched more than half a lifetime for the secret code that he suspected was in the original texts the Old and New Testaments He died without ever finding it That sacred code now reveals the story of Jesus Christ His part in the work of creation His coming as the babe of Bethlehem and His glorious second coming as the promised King on David s Throne The exciting message that was encoded into the original text tells the time of His coming and the Earth s Great Millennium Today we are living in the time that was prophesied This book takes us on an exciting journey into the secrets of that code and its astounding message

Theology, and Biblical Literature, Illustrative of the Old and New Testaments John Eadie, 1868 A Biblical Cyclopaedia, Or, Dictionary of Eastern Antiquities, Geography, Natural History, Sacred Annals and Biography, Theology and Biblical Literature, Illustrative of the Old and New Testaments John Eadie, 1870 Principles of Biblical Hermeneutics J. Edwin Hartill, J. E. Hartill, 1960-10-05

Biblical hermeneutics is the science of interpreting the Bible. The aim of this book is to explain and illustrate the various principles of Bible interpretation that must be followed if one is to understand the teachings of God's Word correctly. Such a study is pivotal to anyone who studies the Bible. Unless consistent principles of interpreting its passages are followed, the truth of God becomes blurred and confused. Determining what the Bible means must precede all application of its words to the lives of its readers and hearers. Dr S Franklin Logsdon, Bible teacher and evangelist, says of this book: "These principles of Bible study by Dr J. Edwin Hartill have been tested and proved in his own personal teaching for many years. They are succinct, pointed, practical, original, understandable, simple keys to unlock the storehouse of Scripture to things both old and new. This publication makes a distinct contribution to Bible lovers in their search for increased knowledge of divine truth. It is a privilege and an honor to commend it to God's people." Using a graphic combination of text, charts, and outlines, Dr Hartill states: "I trust that as you study these principles, your understanding of the Word and your love for its truth may deepen so that you may more ably pass it on to others." Included are chapters on: The Dispensational Principle, The Covenantal Principle, The Ethnic Division Principle, The Discrimination Principle, The Predictive Principle, The Application Principle, The Typical Principle, The Principle of Human Willingness in Illumination, The First Mention Principle, The Progressive Mention Principle, The Full Mention Principle, The Context Principle, The Agreement Principle, The Direct Statement Principle, The Gap Principle, The Three-fold Principle, The Election Principle, The Repetition Principle, The Synthetic Principle, The Principle of Illustrative Mention, The Double Reference Principle, The Christo-Centric Principle, The Numerical Principle.
