Around and around
And around we go...
When we get home we have a zero.

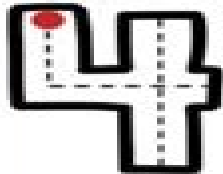

Number 1 is like a stick.
A straight line that is very quick.

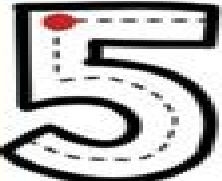

Around and back on the railroad track.
Two, two, Two, two!

Around a tree.
Around a tree.
That's the way to make a three!

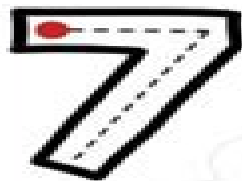

Down and over,
Down once more.
That's the way to make a four!

Straight line down,
Then around.
Hat on top
And five's a clown!

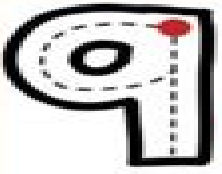

Make a curve.
Then make a loop.
There are no tricks to make a six!

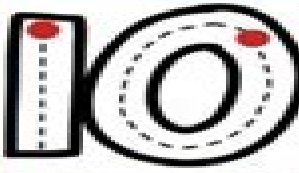

Across the sky
And down from heaven.
That's the way to make a seven!

Make an S
And do not wait.
Go back up
And that's an eight!

A loop and a line,
That makes a nine!

Straight line down,
Then around with a grin.
That's the way
To make a ten!
