Nursery Rhyme Time Over 100 Activities:

100+ Fun Ideas for Wet Playtimes Christine Green,2012-05-03 Provides useful ways of keeping students occupied when the weather means it is impossible to go out at recess playtime The activities have an educational element and range from pen and paper games to work games talking games and even group games The games can be easily adapted to suit children of all ages

Physical Play and Children's Digital Games Krystina Madej,2016-11-25 Play engages humans cognitively emotionally and physically at all ages Using a historical framework and focusing on play as represented by material artifacts such as toys and games this book explores play as a form of somatic engagement that reflects cultural attitudes about development and learning as these have evolved over time in western culture Theorists in the twentieth century such as Klein and Winnicott Huizinga and Callois Piaget Bruner and Vygotsy brought different perspectives to our understanding of play s role in our society In particular Vygotsky s theories about process provide insight into how children attend to learning and assimilate new information The increasing use of digital media as both an entertainment and learning environment at ever younger ages is generating new discussions about the nature and value of play in children s development in particular physical or somatic play The emphasis on games intended for children necessitates a discussion of the cognitive behavioral and neuroscience that supports play activities and physical engagement as a crucial aspect of development The book then looks at the trajectory of digital games in contemporary culture and explores whether these artifacts whether intended for learning or entertainment have extended or are curtailing boundaries of somatic engagement Finally the book discusses alternative play and game design and speculates on the future of new media play artifacts

The Complete Home Learning Sourcebook Rebecca Rupp,1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level
