Nursing and the Social Conscience Frances Storlie,1970

Nursing and the Social Conscience Frances Storlie,1970

Social Awareness and Leader Influence Rose A. Mueller-Hanson,2009 This research entailed developing and testing a detailed program of instruction to help Army leaders improve their social awareness and influence skills Based on input from Soldier subject matter experts and the behavioral sciences literature two training programs were developed a six hour classroom course and a parallel web based course Additionally four assessments were created a Social Awareness and Influence Skills Self assessment to assess self perceptions of skills a knowledge test to assess learning in the course a situational judgment test SJT to assess the students ability to apply social insight and judgment to interpersonal situations and a web based role play to assess the students ability to apply influence tactics These courses and assessments were then subsequently tested in two pilot samples Results of the participant reactions questionnaire indicated that the training programs in both the classroom and web based formats were well received by the target audience and that participants gained new knowledge as a result of the course Results also indicated promise for the measures piloted in this project The outcomes of this effort include a fully developed classroom based POI and a companion prototype web based POI that are suitable for first line Army leaders E4 to E6 and O1 to O3

Awareness and Influence in Health and Social Care

Rosemary Cook,Alison Davies,2021-03-24 This is a book about the skills habits and behaviours that make people influential The good news is that influence is not just for senior people or people in specific jobs any more The old hierarchies are breaking down and front line expertise is valued by policy makers more than ever before You can be well known and influential from anywhere Anyone can do it if they are prepared to put some personal effort into it This comprehensive easy to read guide covers every kind of influential activity and teaches you how to make the most of every opportunity across all levels It is the only practical text on the topic designed specifically for health and social care professionals The insider information helpful tips checklists and developmental exercises throughout aid in application and top tips from professionals currently influencing different arenas of national policy and practice help give you an edge This book is ideal for nurses in acute and primary care including health visitors and midwives Professionals in social care allied health and clinical science will also find it invaluable as will postgraduate health and social care students undertaking development and leadership courses

Knowledge Development in Nursing Peggy L. Chinn,Maeona K. Kramer,2014-09-02 Examines the principles of knowledge development including the relationship between patterns of knowing and explores how evidence based nursing theory can be used to improve patient care
