Core Skills for Nurse Practitioners Diane Palmer, Surrinder Kaur, 2008-04-21 In addition to clinical knowledge every senior nurse should be comfortable with the professional issues that are part of the senior nurse's role. This handbook addresses these issues in a clear and concise manner. It discusses leadership, change management, and risk assessment and looks at evidence-based care. The book also considers the legal and ethical implications of advanced practice and examines clinical supervision, psychological support, and portfolio development.
