Nurturing Your Child's Spirit A Montessorian Approach:

Nurturing Your Child's Spirit Jeannine L. Schmid, 1997-05 Children already enjoy a spiritual life Our challenge is to respect their original experiences of God while providing them with the images rituals and symbols through which they can express the otherwise hidden life of God's Spirit within them *Nurturing Your Child's Spirit* aims to help parents and teachers meet this exciting challenge *Bringing the Montessori Approach to your Early Years Practice* Barbara Isaacs, 2008-03-25 Have you ever wondered what the Montessori approach is all about and whether it can be used to benefit the young children in your setting This book will answer all your questions and more It includes details about the Montessori approach examples from specialist Montessori schools and nurseries examples of non specialist settings implementing Montessori principles for the benefit of the children practical activities advice on planning and assessment methods **Bringing the Montessori Approach to Your Early Years Practice**, *Nurturing Young Children as Spiritual Beings in a Globalized World* Elizabeth Rouse, Brendan Hyde, Tony Eade, 2024-11-14 This book brings together leading academics and practitioners to provide research informed strategies for nurturing young children as spiritual beings Globalization and performativity have led to a narrowing of education in early years settings and schools and this book considers the types of knowledge and capabilities children and educators need to address the challenges this presents The chapters explore and critique existing practices in a range of areas including sustainability inclusion relationships with parents ethics of care and the role of the arts Written by contributors based in Australia Canada Malta the UK and the USA the book offers theoretical discussion and practical strategies to help educators nurture young children's spirituality emphasising holistic approaches and caring relationships as an antidote to current neoliberal discourse *The Bloomsbury Handbook of Montessori Education* Angela Murray, Eva-Maria Tebano Ahlquist, Maria McKenna, Mira Debs, 2023-03-09 Maria Montessori 1870-1952 was an Italian physician anthropologist and educator known around the world for her educational philosophy and pedagogy Her work established educational environments tailored to the child where autonomy and independence are encouraged within thriving and respectful communities The Bloomsbury Handbook of Montessori Education is an accessible resource tracing Montessori education from its historical roots to current scholarship and contemporary issues of culture social justice and environmentalism Divided into six sections the handbook encompasses a range of topics related to Maria Montessori and Montessori education including foundations and evolution of the field key writings pedagogy across the lifespan scholarly research global reach and contemporary considerations such as gender inclusive education race and multilingualism Written by scholars and practitioners based in over 20 countries this is the go to reference work for anyone interested in Montessori education *Philosophical Leisure* Annette Holba, 2007 Human beings have suffered a communication eclipse as a result of rapid technological advancements and conspicuous consumption Consequences of this communication eclipse can be devastating to the human condition *Philosophical Leisure* Recuperative Praxis for Human Communication invites us to understand the

ontological and phenomenological difference between leisure and recreation This distinction is important since outcomes of each activity differ dramatically Philosophical leisure can repair our ability to communicate with others at a deeply human level So be prepared to revision your understanding of leisure and experience a transformation of your soul BOOK JACKET

Montessori children Carolyn Sherwin Bailey, 2019-11-25 In *Montessori Children* Carolyn Sherwin Bailey explores the transformative educational philosophy pioneered by Dr Maria Montessori emphasizing the significance of nurturing a child's innate curiosity and independence This work elegantly combines descriptive narrative with practical insight painting a vivid portrait of children engaging in self directed learning within an environment meticulously designed to foster their development Through skillful anecdotes and observations Bailey articulates the impact of the Montessori method on childhood education positioning the book within the broader context of 20th century progressive educational movements Carolyn Sherwin Bailey an esteemed author and advocate for child centered education draws from her own experiences and observations in schools that employ Montessori principles Her background as an educator and her deep commitment to fostering a better understanding of child psychology inform her writing making her insights particularly resonant and applicable Bailey's engagement with this pedagogical approach reveals her belief in children as active participants in their learning journeys rather than passive recipients of knowledge This book is highly recommended for educators parents and caregivers seeking to understand the principles that guide Montessori education Bailey's articulate prose and profound observations invite readers into the world of Montessori equipping them with the knowledge and inspiration to enhance their interactions with children in meaningful ways

Your Preschooler Discovers the Fine Arts Joan Mishra, 2000-09-18 Drawing on the most creative and humane early childhood methods of this century Suzuki Montessori Reggio Emilia and others as well as insights from eastern philosophy this significant new work represents an innovative approach to preschool education The author brings a thoroughly integrative orientation to bear in her understanding of how children can best develop academic and creative

abilities Based on her experience of designing the Houston preschool Allegro Conservatory the author s approach is at once high minded and down to earth She offers the reader clear and simple explanations of rather profound philosophies as well as a practical means to put these ideas into effect The first chapters delineate the school s philosophy and discuss in some detail the qualities of a nurturing environment Those sections also offer specific guidelines on developing positive parent teacher and child behaviors In step by step fashion the book then demonstrates an imaginative yet academic curriculum for young children It emphasizes the early teaching of basic skills as well as training in the fine arts especially music Research on the Mozart Effect has stimulated recent parental interest in the powerful influence of music on the young child s brain This book takes that research one step further by advocating the child s exposure to all types of greatness in subjects such as literature art drama and philosophy as well This work represents a bright new expansion in the field of early childhood education It leads the preschool educator from a narrow focus on letters colors numbers and socialization skills to a vast new realm of higher learning Hopefully its concepts will spark creative thought in the minds of all parents and educators who read it

Nurturing the Whole Child Gianna Gobbi, 2024-04-01 In Nurturing the Whole Child Montessori Principles Applied to the Catechesis of Children Gianna Gobbi draws on a lifetime of experience with children having apprenticed with educator Dr Maria Montessori and collaborated with biblical scholar Sofia Cavalletti to develop the Catechesis of the Good Shepherd CGS With a deep understanding of the way children hear God speak to them personally and with profound simplicity Gobbi explains how Montessori principles are practically applied with children in the context of religious formation This work is the fruit of entering gently and respectfully into the child s joyful encounter with the mystery of God s silent self revelation made tangible through ancient biblical images liturgical signs and celebrations Originally presented in Italian as a series of lectures for the formation of catechists in CGS la dispensa di Gianna has been translated in English and edited for publication This book is an important addition to the CGS library and a valuable reference in the formation of catechists in CGS Parents of young children attending the CGS atrium will also find this book an informative resource on the nature of children and their prayer life
