Pentecostal Preaching:

Proclaiming the Whole Counsel of God Steve D. Eutsler, 2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God *The Kerygmatic Spirit* Amos Yong, 2018-11-06 This collection of fifteen sermons by one of the leading pentecostal theologians today provides insight into the form style and content of preaching in the pentecostal tradition while also being suggestive of normative homiletical theory and practice The Kerygmatic Spirit argues that Spirit empowered preaching is apostolic not only with regard to being rooted in the scriptural traditions but also with regard to connecting the that of the early Christian message with the this of contemporary experience and discipleship Hence rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name these sermons are presented as the participating in the form of gospel proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father Whether read or heard there are links to video and audio archives throughout these homilies are illustrative of exegetical and expositional practice that connects the biblical text with Spirit filled faithfulness in the twenty first century ecumenical church and world at large *Pentecostal Preaching and Ministry in Multicultural and Post-Christian Canada* Steven M. Studebaker, 2019-11-07 Over the past forty years Canada has become an increasingly secular multicultural and religiously plural society Indeed the church in Canada and Pentecostals in particular face a challenging context for responding to the call to bear witness to Christ in the power of the Holy Spirit Like the disciples on the day of Pentecost however we need the Holy Spirit to come upon us and liberate us from our post Christian pessimism We need the Holy Spirit to enable us to proclaim the gospel to the nations people that are no longer at the ends of the earth but making their home in Canada This book engages this new context and considers and proposes ways that pentecostal Christians and churches can respond to the challenges of the increasingly post Christian multicultural secular and religiously plural context of Canadian society **Classic Pentecostal Sermon Library Vol 6** Ray H. Pentecostal Preaching Ray H. Hughes,1981 *Toward a Pentecostal Theology of Preaching* Lee Roy

Martin,2015-04-23 From the beginning of the movement until now Pentecostalism has relied heavily upon its preachers preachers both old and young male and female ordained and lay educated and uneducated Although preaching has been an important aspect of Pentecostal life and practice few works have been written on Pentecostal preaching and fewer still have been written from an academic standpoint This volume though not claiming to be comprehensive begins to meet the need for scholarly reflection upon this important topic In this multi authored work leading Pentecostal theologians come together to construct a contemporary model for the theology and practice of Pentecostal preaching The writers take into account Pentecostalism s history theology ethos diversity and global expressions as they offer a distinctive theological vision for Pentecostal preaching Chapters include the following A Pentecostal Theology of the Call to Preach Frank Macchia Pentecostal Prophetic Preaching Lee Roy Martin The Ecclesial Dimension of Preaching William Kay The Spirit Preaching and the Approach of Jonathan Edwards John Gordy A New Testament Apologetic for Women Preachers John Christopher Thomas A Theological Apologetic for Women Preachers Lisa Stephenson African American Women Preachers Antoinette Alvarado Latino Theology of Pentecostal Preaching Angel Santiago Vendrell Transfiguring Preaching Proclamation and Theosis Chris E W Green From Proclamation to Incarnation Preaching Worship and Christoformation Daniela C Augustine Bishop J H King and the Theology and Practice of Pentecostal Preaching Tony Moon Technology and Preaching Leah Payne A Critique of Emerging Homiletics Rick Wadholm and Pentecostal Homiletic A Convergence of History Theology and Worship Joseph Byrd Written for pastors students and scholars this work provides ample resources for anyone who wishes to examine the theology of Pentecostal preaching Classic Pentecostal Sermon Library Vol 3 Ray H. Hughes,2011 Classic Pentecostal Sermon Library Vol 2 Ray H. Hughes,2011 Classic Pentecostal Sermon Library Vol 4 Ray H. Hughes,2011 Classic Pentecostal Sermon Library Vol 5 Ray H. Hughes,2011 *Preaching after Easter: Mid-Pentecost, Ascension, and Pentecost in Late Antiquity* Richard W. Bishop,Johan Leemans,Hajnalka Tamas,2016-06-21 The studies collected in Preaching after Easter examine the festal history and homiletics of Mid Pentecost Ascension and Pentecost in the late antique Mediterranean world Articles on individual sermons or the work of individual preachers such as John Chrysostom Augustine of Hippo Peter

Chrysologus Leo the Great and Severus of Antioch exhibit the richness of late antique festal preaching Questions of authenticity heresiology and theological exegetical or liturgical history are addressed with methodological rigor Complementary contributions that deal with ancient Jewish Christian dialogue art historical reception and contemporary liturgical theology illustrate the wide ramifications of ancient Christian festal practice Students and scholars of these feasts and the interpretive traditions devoted to them will find this volume to be an indispensable source of information and analysis

Preaching the Manifold Grace of God, Volume 1 Ronald J. Allen, 2022-06-08 *Preaching the Manifold Grace of God* is a two volume work describing theologies of preaching from the historical and contemporary periods Volume 1 focuses on historical theological families Orthodox Roman Catholic Lutheran Reformed Anabaptist Anglican Episcopal Wesleyan Baptist African American Stone Campbell Friends and Pentecostal Volume 2 focuses on families that are evangelical liberal neo orthodox postliberal existential radical orthodox deconstructionist Black liberation womanist Latinx liberation Mujerista Asian American Asian American feminist LGBTQAI Indigenous postcolonial and process In each case the author describes the circumstances in which the theological family emerged and describes the purposes and characteristics of preaching from that perspective **Preach It!** Carol Tomlin, 2019-02-28 Studies of preaching and preaching style have up to this point focused almost exclusively on a western eurocentric understanding of good preaching *Preach It* encourages students both vocational and scholarly to look beyond these approaches and to learn from traditions with which they are less familiar The distinctive style and techniques that African Caribbean Pentecostal preachers have inherited has been shaped by historical political and socio economic factors impacting on black Caribbean people including clergy Using a variety of socio linguistic and theological approaches *Preach It* reflects on these techniques and outlines how preachers across church traditions might learn from them and use them in their own contexts Issues in Contemporary Pentecostalism R. Keith Whitt, and French L. Arrington, Editors, 2012-09-19 *Classic Pentecostal Sermon Library Vol 1* Ray H. Hughes, 2011 *Pentecostal Theology* Keith Warrington, 2008-08-07 Pentecostals traditionally do not think theologically so much as do it practically This book will present Pentecostal theology as well as the particular style of Pentecostal thinking and praxis that makes it different Pentecostalism is not just distinctive because of its belief base but also because of the worldview it owns The latter is based on a certainty that a religion that does not work is not worth much Consequently they look for expressions of life and vitality in their faith These dominate rather than an expression of the cerebral though this is changing Nevertheless the sense of the immediate the God of the now not the distant past underlie how they do theology Pentecostal theology tends to be seen through the eyes of people not theologians through the community not traditions though they have them through their faith and worship not ancient creeds It is a theology of the dynamic seen through the lens of experience It is a functional theology that exists to operate to incorporate an experiential dimension Pentecostal theology does not operate as other theologies which often only detail a list of beliefs it does this but also and more importantly it explores them in the context of praxis

Thus this volume incorporates praxis as part of the enquiry relating to theology **Mission in the Spirit** Julie C. Ma, Wonsuk Ma, 2010 **Charismatic and Expository Preaching** Lewis D. Mathis, 2022-05-11 The purpose of this study on charismatic and expository preaching is to find the common ground of the two preaching methods and solidify them into a sound biblical and theological preaching method that will edify the body of Christ and lead to growth for local churches To solidify charismatic and expository preaching it is necessary to explore the hermeneutical exegetical and homiletical issues that divide the two methods regarding the work of the Holy Spirit and the gifts the Spirit bestows to believers for ministry Charismatic interpretations concerning the gifts of the Spirit revolve around speaking in tongues as the primary identifier of being filled with the Spirit which most expository preachers and scholars view as an incorrect interpretation This study seeks to answer these problems in the quest of unifying both preaching methods *Essentials of Pentecostal Theology* Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly
