Republic Of Debtors:

Republic of Debtors Bruce H. Mann, 2002 Table of contents

Self-Evident Truths Richard D. Brown, 2017-02-21

From a distinguished historian a detailed and compelling examination of how the early Republic struggled with the idea that all men are created equal How did Americans in the generations following the Declaration of Independence translate its lofty ideals into practice In this broadly synthetic work distinguished historian Richard Brown shows that despite its founding statement that all men are created equal the early Republic struggled with every form of social inequality While people paid homage to the ideal of equal rights this ideal came up against entrenched social and political practices and beliefs Brown illustrates how the ideal was tested in struggles over race and ethnicity religious freedom gender and social class voting rights and citizenship He shows how high principles fared in criminal trials and divorce cases when minorities women and people from different social classes faced judgment This book offers a much needed exploration of the ways revolutionary political ideas penetrated popular thinking and everyday practice

The Sewing Girl's Tale John Wood Sweet, 2022-07-19

New York Times Editors Choice Winner of the Bancroft Prize Winner of the Francis Parkman Prize Winner of the Gotham Book Prize Winner of the New York Society Library's New York City Book Award Journal of the American Revolution Book of the Year Winner of the David J Langum Sr Prize in American Legal History Winner of the James Bradford Best Biography Prize A riveting Revolutionary Era drama of the first published rape trial in American history and its long shattering aftermath revealing how much has changed over two centuries and how much has not On a moonless night in the summer of 1793 a crime was committed in the back room of a New York brothel the kind of crime that even victims usually kept secret Instead seventeen year old seamstress Lanah Sawyer did what virtually no one in US history had done before she charged a gentleman with rape Her accusation sparked a raw courtroom drama and a relentless struggle for vindication that threatened both Lanah's and her assailant's lives The trial exposed a predatory sexual underworld sparked riots in the streets and ignited a vigorous debate about class privilege and sexual double standards The ongoing conflict attracted the nation's top lawyers including Alexander Hamilton and shaped the development of American law The crime and its consequences became a kind of parable about the power of seduction and the limits of justice Eventually Lanah Sawyer did succeed in holding her assailant accountable but at a terrible cost to herself Based on rigorous historical detective work this book takes us from a chance encounter in the street into the sanctuaries of the city's elite the shadows of its brothels and the despair of its debtors prison The Sewing Girl's Tale shows that if our laws and our culture were changed by a persistent young woman and the power of words two hundred years ago they can be changed again Includes photographs

Debtors' Prison Robert Kuttner, 2013-04-30 One of our foremost economic thinkers challenges a cherished tenet of today's financial orthodoxy that spending less refusing to forgive debt and shrinking government austerity is the solution to a persisting economic crisis like ours or Europe's now in its fifth year Since the collapse of September 2008 the conversation about economic recovery has

centered on the question of debt whether we have too much of it whose debt to forgive and how to cut the deficit These questions dominated the sound bites of the 2012 U S presidential election the fiscal cliff debates and the perverse policies of the European Union Robert Kuttner makes the most powerful argument to date that these are the wrong questions and that austerity is the wrong answer Blending economics with historical contrasts of effective debt relief and punitive debt enforcement he makes clear that universal belt tightening as a prescription for recession defies economic logic And while the public debt gets most of the attention it is private debts that crashed the economy and are sandbagging the recovery mortgages student loans consumer borrowing to make up for lagging wages speculative shortfalls incurred by banks As Kuttner observes corporations get to use bankruptcy to walk away from debts Homeowners and small nations don t Thus we need more public borrowing and investment to revive a depressed economy and more forgiveness and reform of the overhang of past debts In making his case Kuttner uncovers the double standards in the politics of debt from Robinson Crusoe author Daniel Defoe s campaign for debt forgiveness in the seventeenth century to the two world wars and Bretton Woods Just as debtors prisons once prevented individuals from surmounting their debts and resuming productive life austerity measures shackle rather than restore economic growth as the weight of past debt crushes the economy s future potential Above all Kuttner shows how austerity serves only the interest of creditors the very bankers and financial elites whose actions precipitated the collapse Lucid authoritative provocative a book that will shape the economic conversation and the search for new solutions The Engine of Enterprise Rowena Olegario,2016-02-15 Tracing credit from colonial times to the present and highlighting its productive role in building national prosperity Rowena Olegario probes questions that have divided Americans Who should have access to credit How should creditors assess creditworthiness How can borrowers and lenders accommodate to the risks of a credit dependent economy **Research Handbook on Law and Emotion** Susan A. Bandes,Jody L. Madeira,Kathryn D. Temple,Emily Kidd White,2021-04-30 This illuminating Research Handbook analyses the role that emotions play and ought to play in legal reasoning and practice rejecting the simplistic distinction between reason and emotion **Black Litigants in the Antebellum American South** Kimberly M. Welch,2018-01-02 In the antebellum Natchez district in the heart of slave country black people sued white people in all white courtrooms They sued to enforce the terms of their contracts recover unpaid debts recuperate back wages and claim damages for assault They sued in conflicts over property and personal status And they often won Based on new research conducted in courthouse basements and storage sheds in rural Mississippi and Louisiana Kimberly Welch draws on over 1 000 examples of free and enslaved black litigants who used the courts to protect their interests and reconfigure their place in a tense society To understand their success Welch argues that we must understand the language that they used the language of property in particular to make their claims recognizable and persuasive to others and to link their status as owner to the ideal of a free autonomous citizen In telling their stories Welch reveals a previously unknown world of black legal activity one that is consequential for

understanding the long history of race rights and civic inclusion in America **A History of American Law: Third Edition**
Lawrence M. Friedman, 2005-06-01 In this brilliant and immensely readable book Lawrence M Friedman tells the whole
fascinating story of American law from its beginnings in the colonies to the present day By showing how close the life of the
law is to the economic and political life of the country he makes a complex subject understandable and engrossing A History
of American Law presents the achievements and failures of the American legal system in the context of America s commercial
and working world family practices and attitudes toward property government crime and justice Now completely revised and
updated this groundbreaking work incorporates new material regarding slavery criminal justice and twentieth century law
For laymen and students alike this remains the only comprehensive authoritative history of American law *Birthright*
Citizens Martha S. Jones, 2018-06-28 Explains the origins of the Fourteenth Amendment s birthright citizenship provision as a
story of black Americans pre Civil War claims to belonging Local Finance Corporation V. Commissioner of Internal

The Top Books of the Year Republic Of Debtors The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Republic Of Debtors : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
