Roses In The Woods Reunion Reunion:

Veiled Rose (Tales of Goldstone Wood Book #2) Anne Elisabeth Stengl, 2011-07-01 Rose Red trusts no one with her secret. She hides in the forest, her face veiled in rags, shunning the company of all save her old father and her nanny goat. Her life is bleak and lonely. Until she meets a privileged young man sent to spend his summer in the mountains, Leo, a lonely lad befriends Rose Red, and together they begin hunting for the Mountain Monster, which rumor says stalks these lands. But the hunt, which began as a game, holds greater risk than Leo supposes. Rose Red can scarcely guess at the consequences should he insist on continuing his search. Dare she trust him with her secret? Or tell him what dwells at the top of the mountain, in the cave only she can find? Above all, when Leo asks Rose Red to leave the mountain and follow him to the low country, dare she agree and risk the wrath of a Monster that is all too real. *Bulletin of the New York Botanical Garden*, New York Botanical Garden, 1921. Robinson, 2022-09-04 In *Smiles: A Rose of the Cumberlands* Eliot H. Robinson intricately weaves a narrative rich with the cultural tapestry of the Appalachian region. The novel's literary style balances lyricism with a rugged realism, echoing the natural beauty and the struggles of the Cumberlands. Robinson deftly explores themes of resilience, community, and the human spirit, enveloping the reader in a world where smiles hold profound significance amid adversity. Through vivid imagery and compelling dialogue, he captures the essence of a landscape marked by both hardship and hope, situating the work within the broader context of American regional literature. Eliot H. Robinson, a keen observer of the human condition and an advocate for Appalachian culture, draws upon his own experiences growing up in the region to inform the narrative. His deep understanding of local customs, folklore, and the socioeconomic challenges faced by its inhabitants shines through. This background not only enriches the authenticity of the characters but also allows Robinson to present a heartfelt homage to the resilience of mountain communities. While *Smiles: A Rose of the Cumberlands* resonates on a personal level, it also serves as a compelling reminder of the strength found in community. Readers seeking a poignant exploration of Appalachian life, coupled with profound emotional depth, will find this novel both enlightening and beautifully crafted. Robinson's masterful storytelling invites us to reflect on our own paths through hardship, making this work a must-read. **A Rose by Any Other Name** Alana Lorens, 2022-01-10 Up and coming mommy blogger and single mom Marisol Herrera Slade returns to her old hometown in western Pennsylvania for her 20th high school reunion in 2005, reluctant and yet compelled to see her high school sweetheart, Russell Asher, who dumped her for the homecoming queen.
